## GENERAL ALLEGATIONS

### A. LPG's Bankruptcy Case

**16.** On March 20, 2023 (“Petition Date”), Debtor filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, commencing the Bankruptcy Case.

17. The Office of the United States Trustee (“UST”) filed its *Motion by United States Trustee to Dismiss or Convert Case Pursuant to 11 U.S.C. § 1112(b)* [Bankr. Docket No. 21] and creditors Debt Validation Fund II, LLC; MC DVI Fund 1, LLC; and MC DVI Fund 2, LLC filed the *Motion by DVF and MC DVI to Dismiss Chapter 11 Case Pursuant to 11 U.S.C. §§ 105, 305, 349, & 1112, or in the Alternative Convert This Case to Chapter 7 or Appoint a Trustee* [Bankr. Docket No. 44]. On May 4, 2023, the Court entered its *Order Directing United States Trustee to Appoint Chapter 11 Trustee* [Bankr. Docket No. 58], thereby granting the UST’s motion and directing the UST to appoint a Chapter 11 Trustee in the Bankruptcy case.

**18.** Pursuant to the *Acceptance of Appointment as Chapter 11 Trustee* [Bankr. Docket No. 63], on May 8, 2023, Trustee accepted his appointment as the Chapter 11 Trustee in the Bankruptcy Case. The Court approved the Trustee's appointment in its *Order Approving the U.S. Trustee's Application for the Appointment of a Chapter 11 Trustee* [Docket No. 65].

**19.** Pursuant to the Order Confirming Modified First Amended Joint Chapter 11 Plan of Liquidation entered September 9, 2024, and the Notice of Occurrence of Effective Date of Modified First Amended Joint Chapter 11 Plan of Liquidation filed September 24, 2024, Richard A. Marshack became the Liquidating Trustee of the LPG Liquidation Trust, effective September 24, 2024. [Bankr. Docket Nos. 1646 & 1762].

**20.** Trustee was not appointed until after events of the case and, therefore, bases these

1 allegations on information and belief. *Soo Park v. Thompson*, 851 F.3d 910, 928 (9th Cir.  
2 2017) (“The *Twombly* plausibility standard . . . does not prevent a plaintiff from pleading facts  
3 alleged upon information and belief where the facts are peculiarly within the possession and control  
4 of the defendant or where the belief is based on factual information that makes the inference of  
5 culpability plausible.”); *Miller v. City of Los Angeles*, 2014 U.S. Dist. LEXIS 198871, 2014 WL  
6 12610195, at \*5 (C.D. Cal. Aug. 7, 2014) (recognizing that the plaintiff’s “information and belief”  
7 pleading was allowed and “necessary at times”); *see also Mireskandari v. Daily Mail and General*  
8 *Trust PLC*, 2013 U.S. Dist. LEXIS 194437, 2013 WL 12129642, at \*4 (C.D. Cal. July 31,  
9 2013) (“The Federal Rules of Civil Procedure allow parties to plead facts on ‘information and belief’  
10 if the facts ‘will likely have evidentiary support after a reasonable opportunity for further  
11 investigation or discovery.’” (citations omitted)).

12       **21.** All claims have been transferred to the Liquidating Trust pursuant to the confirmed  
13 Plan and Plaintiff brings this action solely in his capacity as the former Chapter 11 Trustee and current  
14 Liquidating Trustee for the Liquidation Trust for the benefit of Debtor’s Estate and its creditors.

15       **B. Protective Order**

16       **22.** On or about May 2, 2024, Plaintiff filed that certain Notice and Motion for Entry of  
17 Protective Order (the “Protective Order Motion”).

18       **23.** On June 3, 2024, the Court entered its Order Granting Motion for Entry of Protective  
19 Order and the Protective Order [Docket No. 1270] (the “Protective Order”). A true and accurate copy  
20 of the Protective Order is attached as **Exhibit 32**, and incorporated here.

21       **24.** By its own terms, the Protective Order applies to this adversary proceeding and  
22 governs all discovery conducted herein.

23       **C. LPG and Tony Diab**

24       **25.** LPG operated a law firm for consumers across the country who sought assistance in  
25 contesting or resolving debts they would identify.

26       **26.** The consumers would pay LPG over a period of time via monthly debits and/or ACH  
27 debits from their bank accounts.

28       ///

1           **27.**     The monthly payments were meant to cover all legal services LPG provided to the  
2 consumers including validation of the debts, review of documents to determine enforceability, and  
3 court appearances to halt lawsuits to obtain judgments.

4           **28.**     In certain instances, LPG would file a lawsuit in an effort to eliminate a disputed debt  
5 or to prosecute affirmative claims held by the consumers.

6           **29.**     LPG mismanaged the consumers' monthly payments.

7           **30.**     Tony Diab is, and at all relevant times was, an individual who operated, dominated  
8 and controlled LPG ("Diab"). Diab and others devised a plan to fraudulently transfer funds, client  
9 files, client funds and assets in the form of ACH Receivables (the "ACH Receivables" or "Accounts  
10 Receivable") out of LPG to third parties prior to the filing of bankruptcy.

11           **31.**     To obtain consumer clients, LPG contracted with marketing companies, who engaged  
12 in illegal capping and would advertise or call to solicit consumers to become clients of LPG in  
13 exchange for a percentage of the ACH Receivables collected by LPG from the consumers.

14           **32.**     The marketing affiliate went so far as to assist with the execution of an engagement  
15 letter between the consumer and LPG.

16           **33.**     In exchange, LPG agreed to pay the marketing affiliates a percentage the monthly  
17 payments collected by LPG from the consumers.

18           **34.**     Because LPG received payments from consumers over time, it often sought financing  
19 by borrowing against its future cash flows. This borrowing was not only used to finance operations  
20 at LPG, but also to pay the fees owed to the marketing companies for providing the client referrals.

21           **35.**     Many of the documents executed in connection with such financing described the  
22 transactions as accounts receivable purchase agreements.

23           **36.**     Diab used entities he controlled, and were his alter egos, including, without limitation,  
24 Vulcan Consulting Group LLC dba DRD ("Vulcan"), Coast Processing and thereafter becoming  
25 Coast Processing, LLC dba LPG ("Coast Processing"), PrimeLogix LLC ("PrimeLogix"), Maverick  
26 Management, LLC, Validation Partners LLC and/or Validation, LLC ("Validation") to divert LPG  
27 consumer funds and ACH Receivables. Diab would use numerous ACH processing companies in  
28 order to easily transfer millions of dollars from Debtor to these entities he controlled, without

oversight or detection, and to avoid payment disputes and complications. The money that flowed from Debtor through these bank accounts to defendants consisted of Client Funds that Debtor funneled to these entities by means of the ACH processing companies.<sup>1</sup> Debtor also made deposits into these entities bank account such that they received Client Funds directly from Debtor in addition to future Accounts Receivable.

37. The money that flowed from LPG through PrimeLogix's and Vulcan's bank account to Defendants ProofPositive and Venuture, respectively, consisted of Client Funds that LPG funneled to PrimeLogix and Vulcan by means of the ACH processing companies.

38. LPG's monthly revenue from client files was primarily received via ACH payments. In order to process ACH payments, LPG was required to enlist the services of ACH payment processing companies who handle high risk transactions. In this regard, Diab enlisted numerous ACH processing companies<sup>2</sup> in order to easily switch between different vendors and quickly transfer millions of dollars of LPG funds to entities he controlled, generally in less than three days from receipt of funds by the processing company. One reason for the plethora of processing company vendors was to avoid payment disputes and complications with the vendor itself. Switching between ACH processing companies further facilitated unauthorized double pulls, and made it more difficult for LPG clients to dispute, prevent or stop unauthorized ACH transactions, even where the Client disputed the transactions, had cancelled their services, and/or requested a refund.

**D. LPG's Ponzi Scheme**

39. The Ponzi Scheme Presumption exists in bankruptcy proceedings.

40. The Ponzi Scheme Presumption can be utilized to establish a debtor's "intent to defraud future undertakers [investors] from the mere fact that a debtor was running a Ponzi scheme. Indeed, no other reasonable inference is possible. A Ponzi scheme cannot work forever. The investor pool is a limited resource and will eventually run dry. The perpetrator must know that the scheme

---

<sup>1</sup> The ACH processing companies LPG used and which Diab controlled includes, but is not limited to, EPPS; EquiPay; Merit Fund; Authorize.net; World Global; Optimum Bank; BankUnited; Marich Bein; Revolv3; Maverick Bankcard; FIS; and/or Guardian.

<sup>2</sup> The ACH processing companies LPG also used and which Diab controlled includes, but is not limited to, EPPS; EquiPay; Merit Fund; Authorize.net; World Global; Optimum Bank; BankUnited; Marich Bein; Revolv3; Maverick Bankcard; FIS; and/or Guardian.

1 will eventually collapse as a result of the inability to attract new investors. The perpetrator  
2 nevertheless makes payments to present investors, which, by definition, are meant to attract new  
3 investors. He must know all along, from the very nature of his activities, that investors at the end of  
4 the line will lose their money. Knowledge to a substantial certainty constitutes intent in the eyes of  
5 the law, *cf. Restatement (Second) of Torts § 8A (1963 & 1964)*, and a debtor's knowledge that future  
6 investors will not be paid is sufficient to establish his actual intent to defraud them. *Cf. Coleman Am.*  
7 *Moving Servs., Inc. v. First Nat'l Bank & Trust Co. (In re American Properties, Inc.)* (Bankr.D.Kan.  
8 1981)14 B.R. 637, 643 (intentionally carrying out a transaction with full knowledge that its effect  
9 will be detrimental to creditors is sufficient for actual intent to hinder, delay or defraud within the  
10 meaning of § 548(a)(1)).” *Merrill v. Abbott (In re Independent Clearing House Co.* 77 B.R. 843, 860  
11 (D. Utah 1987).

12       **41.**     “But if all the debtor receives in return for a transfer is the use of the defendant's  
13 money to run a Ponzi scheme, there is nothing in the bankruptcy estate for creditors to share. In fact,  
14 by helping the debtor perpetuate his scheme, the transfers exacerbate the harm to creditors by  
15 increasing the amount of claims while diminishing the debtor's estate. In such a situation, the use of  
16 the defendant's money cannot objectively be called “reasonably equivalent value.” *Id.* at 859.  
17 Therefore, “[t]he trustee can avoid the transfers if they were preferential or fraudulent. Transfers to  
18 investors in a Ponzi scheme are preferential and fraudulent. Therefore, they constitute “property of  
19 the estate,” and the trustee can recover them. *Id.* at 853 n.17 (citations omitted).

20       **42.**     Debtor was operating a Ponzi scheme that utilized Defendants ProofPositive and  
21 Venture and several other entities as investors to continue its unlawful business practices by using  
22 funds provided by current investors to attract new investors hoping for very high returns. Therefore,  
23 the Debtor was running a Ponzi scheme and the Ponzi Scheme Presumption can be utilized to infer  
24 that the Debtor had the intent to defraud investors within the meaning of 11 U.S.C. section 548(a)(1).

25       **43.**     Moreover, since the transfers were made with the intent to further the Ponzi scheme,  
26 the Debtor did not receive an objectively reasonable equivalent value for the transfers, and the  
27 Trustee can avoided the transfers because they were preferential and fraudulent.

28 ///

1           **E.     The Criminal Enterprise**

2           **44.**     Debtor's operations, activities and transfers done in furtherance of the Ponzi scheme,  
3 including those in conjunction with its affiliates and its dealings with Defendants, also constituted a  
4 criminal enterprise.

5           **45.**     This, too, is evidenced by the Court's order in the 1046 Action wherein it denied the  
6 Motion of Greyson Law Center to Vacate the Preliminary Injunction previously entered in Debtor's  
7 main case, and the Court offered the opinion:

8           Through the various proceedings and evidence produced in both the main case and the various  
9 adversary proceedings, including but not limited to various Motions for Temporary  
10 Restraining Orders, Preliminary Injunctions, Motions to Dismiss, a Motion for Appointment  
11 of a Chapter 11 Trustee, a Motion to Sell Assets, a multitude of pleadings filed by both  
12 secured and unsecured creditors (supported by evidence presented under oath) in support of  
13 their claims, and especially the pleadings and evidence presented by the "Watchdog of the  
14 Bankruptcy System" aka the Office of the United States Trustee (an arm of the United States  
15 Department of Justice), *it is clear to this Court that Debtor, since its pre-petition inception*  
16 *(and through the time of the appointment of the Chapter 11 Trustee) was in the Court's*  
17 *opinion, operating a criminal enterprise.*

18           Case No. 8:23-bk-10571-SC; Adv. No. 8:23-ap-01046-SC [Bankr. Docket No. 1545, p.3  
19 (emphasis in original)].

20           **46.**     As part of this criminal enterprise, Debtor and Defendants engaged in fraudulent  
21 transfers of its accounts receivables pursuant to various agreements, including the Affiliate  
22 Agreements (as defined below) and ARPA Agreements (as defined below).

23           **F.     Defendant ProofPositive**

24           **47.**     Upon information and belief, Defendant G. Hanson, is, and at all material times was,  
25 the controlling party of Defendant ProofPositive.

26           **48.**     Defendant ProofPositive was one of the marketing companies that procured clients  
27 for LPG.

28           **49.**     LPG agreed to pay, and in fact paid, Defendant ProofPositive a portion of the monthly  
payments received from consumers referred by Defendant ProofPositive.

**50.**     Defendant ProofPositive also entered into agreements pursuant to which it purported  
to sell accounts receivable back to LPG.

///

**i. Affiliate Agreement**

**51.** On or about June 24, 2022, LPG entered into an Affiliate Agreement with Defendant ProofPositive (the “ProofPositive Affiliate Agreement”). A true and accurate copy of the ProofPositive Affiliate Agreement is attached as **Exhibit 1**, and incorporated here.

**52.** The ProofPositive Affiliate Agreement states that LPG, *inter alia*, “is in the business of providing a package debtor’s rights services in the form of debt validation, consultation, and litigation defense through a network of attorneys licensed to practice law in all 50 states and the District of Columbia *See* **Ex. 1**.”

**53.** The ProofPositive Affiliate Agreement also states that Defendant ProofPositive “owns and operates a system of generating leads consisting of consumers interested in the legal services offered by LPG.” *See* **Ex. 1**.

**54.** Pursuant to the ProofPositive Affiliate Agreement, Defendant ProofPositive generated leads consisting of consumers interested in the legal services offered by Debtor and referred those consumers to Debtor. *See* **Ex. 1**.

**55.** Defendant ProofPositive went so far as to assist with the execution of an engagement letter with the consumer. *See* **Ex. 1**.

**56.** Pursuant to the ProofPositive, Debtor agreed to pay Defendant ProofPositive as follows:

Affiliate shall be entitled to receive the following as full and complete compensation for its services to LPG: LPG shall pay 70% per file for each file that Affiliate places with LPG, not counting the monthly maintenance fee of \$96.38, which LPG shall retain to cover administrative costs for each file. LPG shall calculate the amount of each file, apply the above-identified percentage fee, and remit the same to Affiliate pursuant to an agreed-upon schedule not to exceed one remittance per seven (7) calendar days. If any consumer cancels LPG’s services, or demands a refund for payment for such services, or both, then LPG shall be solely responsive for such cost and Affiliate shall not have to share such expense. LPG has exclusive discretion to grant or deny a requested refund or cancellation. Finally, LPG may treat a consumer’s failure to remit payment in a timely manner as a cancellation of the legal services agreement executed by consumer with LPG, and has sole discretion to make such determination. *See* **Ex. 1**.

///

1           **57.** Pursuant to the ProofPositive Affiliate Agreement, Defendant ProofPositive  
2 purported to transfer Debtor streams of monthly payments from consumers that were supposed to be  
3 held in trust until earned. *See Ex. 1.*

4           **58.** By entering into the ProofPositive Affiliate Agreement, Debtor and Defendant  
5 ProofPositive violated federal and state laws by transferring unearned legal fees or funds they were  
6 supposed to hold in trust or used for the benefit of consumers.

7           **59.** The ProofPositive Affiliate Agreement violates Sections 6151 and 6155 of the  
8 California Business and Professional Code, which prohibit referrals of potential clients to attorneys  
9 unless registered with the State Bar of California. Cal. Bus. & Prof. Code § 6155. “Referral activity”  
10 includes “any entity ‘which, in person, electronically, or otherwise, refers the consumer to an attorney  
11 or law firm not identified’ in the advertising.” *Jackson v. LegalMatch.com*, 42 Cal. App. 5th 760,  
12 775 (2019). A referral includes receiving information from potential clients and sending that  
13 information to lawyers, even when the advertiser does not advertise the name of the attorneys and  
14 the clients do not clear the name of the potential attorney after the referral occurred. *Id.*

15           **60.** Further, if any effect of an agreement is to accomplish an unlawful purpose, the  
16 agreement may be declared illegal regardless of the intention of the parties. *Stockton Morris Plan*  
17 *Co. v. Cal. Tractor & Equip. Corp.*, 112 Cal. App. 2d 684, 690 (1952) (citing *Fewel & Dawes, Inc.*  
18 *v. Pratt*, 17 Cal. 2d 85, 91 (1941)). This remains true regardless of whether the contract has been  
19 performed. *Stevens v. Boyes Hot Springs Co.*, 113 Cal. App. 479, 483 (1931) (A contract by a  
20 corporation to purchase its own stock has the effect of illegally withdrawing and paying to a  
21 stockholder a part of the capital stock of the corporation and is illegal and void, regardless of the fact  
22 that the contract is fully performed by the sellers and partially performed by the corporation.);  
23 *Mansfield v. Hyde*, 112 Cal. App. 2d 133, 139 (1952), overruled, *Fomco, Inc. v. Joe Maggio, Inc.*, 8  
24 Cal. Rptr. 459 (1960) (Where object of statute requiring licenses is to prevent improper persons from  
25 engaging in particular activity, or is for purpose of regulating occupation or business for protection  
26 of public, imposition of penalty amounts to prohibition against engaging in occupation or business  
27 without license, and contract made by unlicensed person in violation of statute is invalid.); *Firpo v.*  
28 *Murphy*, 72 Cal. App. 249, 252 (1925) (A contract to pay commissions to a real estate broker is

1 illegal and he is not entitled to recover thereon where he fails to secure the license required by law  
2 to carry on his business.).

3 **61.** Because the ProofPositive Affiliate Agreement violates federal and state law, it is  
4 void, unenforceable, and subject to avoidance as fraudulent. Any alleged consideration provided  
5 under the ProofPositive Affiliate Agreement was unlawful.

6 **62.** Unlawful consideration is that which is: “(1) contrary to an express provision of law;  
7 (2) contrary to the policy of express law, though not expressly prohibited; or (3) otherwise contrary  
8 to good morals.” Cal. Civ. Code § 1667. “If any part of a single consideration for one or more objects,  
9 or of several considerations for a single object, is unlawful, the entire contract is void.” Cal. Civ.  
10 Code § 1608.

11 **ii. Accounts Receivable Purchase Agreements**

13 Receivable Purchase Agreement with Debtor and Gofi LLC (“ARPA 1”). A true and accurate copy  
14 of ARPA 1 is attached as **Exhibit 2** and incorporated here.

16 Receivable Purchase Agreement with Debtor and New Vision Capital Group LLC (“ARPA 2”). A  
17 true and accurate copy of ARPA 2 is attached as **Exhibit 3** and incorporated here.

1           **77.** On or about January 6, 2023, Defendant ProofPositive entered into an Accounts  
2 Receivable Purchase Agreement with Debtor and New Horizon Finance LLC (“ARPA 15”). A true  
3 and accurate copy of ARPA 15 is attached as **Exhibit 16** and incorporated here.

8 9, ARPA 10, ARPA 11, ARPA 12, ARPA 13, ARPA 14, ARPA 15, ARPA 16, and ARPA 17  
9 are referred to collectively hereinafter as the “ProofPositive ARPA Agreements”.

10           **80.** Pursuant to the ProofPositive ARPA Agreements, Debtor purported to sell Defendant  
11 ProofPositive streams of monthly payments from consumers that were supposed to be held until  
12 earned.

13           **81.** By entering into the ProofPositive ARPA Agreements, Debtor and Defendant  
14 ProofPositive violated federal and state laws by selling unearned legal fees or funds there were  
15 supposed to be held in trust or used for the benefit of consumers.

16           **82.** The effect of the ProofPositive ARPA Agreements was to accomplish an unlawful  
17 purpose. Thus, the agreement may be declared illegal regardless of the intention of the parties.  
18 *Stockton Morris Plan Co. v. Cal. Tractor & Equip. Corp.*, 112 Cal. App. 2d 684, 690 (1952) (citing  
19 *Fewel & Dawes, Inc. v. Pratt*, 17 Cal. 2d 85, 91 (1941)). This remains true regardless of whether the  
20 contract has been performed. *Stevens v. Boyes Hot Springs Co.*, 113 Cal. App. 479 (1931) (A contract  
21 by a corporation to purchase its own stock has the effect of illegally withdrawing and paying to a  
22 stockholder a part of the capital stock of the corporation and is illegal and void, regardless of the fact  
23 that the contract is fully performed by the sellers and partially performed by the corporation.);  
24 *Mansfield v. Hyde*, 112 Cal. App. 2d 133 (1952), overruled, *Fomco, Inc. v. Joe Maggio, Inc.*, 8 Cal.  
25 Rptr. 459 (1960) (Where object of statute requiring licenses is to prevent improper persons from  
26 engaging in particular activity, or is for purpose of regulating occupation or business for protection  
27 of public, imposition of penalty amounts to prohibition against engaging in occupation or business  
28 without license, and contract made by unlicensed person in violation of statute is invalid.); *Firpo v.*

2 and he is not entitled to recover thereon where he fails to secure the license required by law to carry  
3 on his business.).

4 **83.** Because the ProofPositive ARPA Agreements violate federal and state laws, they are  
5 void, unenforceable, and subject to avoidance as fraudulent. Any alleged consideration provided to  
6 Debtor under any of the ProofPositive ARPA Agreements were unlawful.

7 **84.** Unlawful consideration is that which is: “(1) contrary to an express provision of law;  
8 (2) contrary to the policy of express law, though not expressly prohibited; or (3) otherwise contrary  
9 to good morals.” Cal. Civ. Code § 1667. “If any part of a single consideration for one or more objects,  
10 or of several considerations for a single object, is unlawful, the entire contract is void.” Cal. Civ.  
11 Code § 1608.

12 **iii. Demand Letter**

13 **85.** On or about September 15, 2023, Trustee sent a demand letter to Defendant  
14 ProofPositive (the “Demand Letter”). A true and accurate copy of the Demand Letter is attached as  
15 **Exhibit 18**, and incorporated here.

16 **86.** The Demand Letter discussed certain known transfers, at that time, from Debtor that  
17 were made to Defendant ProofPositive prior to the Petition Date. The transfers were listed on the  
18 attached “Preference Transfer Schedule” showing the date and amount, according to Debtor’s books  
19 and records, of each transfer or other payment (“Preference Transfer Schedule”). Trustee requested  
20 payment of the total amount due under the Preference Transfer Schedule that amounted to  
21 \$50,411.25, in exchange for a waiver and release from all claims that could be asserted by Trustee  
22 against Defendant pursuant to 11 U.S.C. §§ 547 and 550.

23 **87.** Based on the information available to Trustee and considering the nature of the  
24 relationship between Debtor and Defendant ProofPositive, no potential defenses were identified that  
25 could reduce Defendant ProofPositive’s liability for the transfers. Consequently, Defendant  
26 ProofPositive was requested to provide any facts and valid defenses that could substantiate its  
27 position and potentially mitigate or prevent some or all of the transfers made by Debtor.

28 ///

1           **88.**     Thereafter, Trustee became aware of additional transfers of Debtor's funds to  
2 Defendant ProofPositive in the amount of \$609,085.81, from Debtor and including through Debtor's  
3 accounting entity PrimeLogix.

4                   **iv.     Payments to Defendant ProofPositive**

5           **89.**     During the applicable reach-back period, Debtor paid Defendant ProofPositive the  
6 sum of at least \$397,377.39 between July 2022 and February 2023, subject to proof at trial  
7 ("ProofPositive Transfers"). A true and accurate list of the known pre-petition payments made by  
8 Debtor to Defendant ProofPositive is attached as **Exhibit 19**, and incorporated here.

9           **90.**     Additionally, \$100,648.88 of the ProofPositive Transfers from Debtor to Defendant  
10 occurred during the 90 day preference period, subject to proof at trial ("ProofPositive Preference  
11 Transfers"). True and accurate copies of the summaries of the banking transaction histories are  
12 attached hereto as **Exhibit 20** and incorporated here.

13           **91.**     In addition to the ProofPositive Transfers, Debtor paid Defendant ProofPositive the  
14 sum of at least \$111,059.54 between April 2023 and May 2023, subject to proof at trial  
15 ("ProofPositive Post-Petition Transfers" and herein after also incorporated into "ProofPositive  
16 Transfers"). A true and accurate list of the known post-petition payments made by Debtor to  
17 Defendant ProofPositive is attached as **Exhibit 21**, and incorporated here.

18                   **G.     Defendant Venture**

19           **92.**     Upon information and belief, Defendant D. Hanson, is, and at all material times was,  
20 the controlling party of Defendant Venture.

21           **93.**     Defendant Venture was one of the marketing companies that procured clients for  
22 LPG.

23           **94.**     LPG agreed to pay, and in fact paid, Defendant Venture a portion of the monthly  
24 payments received from consumers referred by Defendant Venture.

25           **95.**     Defendant Venture also entered into agreements pursuant to which it purported to sell  
26 accounts receivable back to LPG.

27     ///

28     ///

**i. Affiliate Agreement**

**96.** On or about February 16, 2023, LPG entered into an Affiliate Agreement with Defendant Venture (the “Venture Affiliate Agreement”). A true and accurate copy of the Venture Affiliate Agreement is attached as **Exhibit 22**, and incorporated here.

**97.** The Venture Affiliate Agreement states that LPG, *inter alia*, “is in the business of providing a package debtor’s rights services in the form of debt validation, consultation, and litigation defense through a network of attorneys licensed to practice law in all 50 states and the District of Columbia *See* **Ex. 22**.”

**98.** The Venture Affiliate Agreement also states that Defendant Venture “owns and operates a system of generating leads consisting of consumers interested in the legal services offered by LPG.” *See* **Ex. 22**.

**99.** Pursuant to the Venture Affiliate Agreement, Defendant Venture generated leads consisting of consumers interested in the legal services offered by Debtor and referred those consumers to Debtor. *See* **Ex. 22**.

**100.** Defendant Venture went so far as to assist with the execution of an engagement letter with the consumer. *See* **Ex. 22**.

**101.** Pursuant to the Venture Affiliate Agreement, Debtor agreed to pay Defendant Venture as follows:

Affiliate shall be entitled to receive the following as full and complete compensation for its services to LPG: LPG shall pay 85% per file for each file that Affiliate places with LPG, not counting the monthly maintenance fee of \$31.46 (15% of the \$76.38 plus \$20), which LPG shall retain to cover administrative costs for each file. LPG shall calculate the amount of each file, apply the above-identified percentage fee, and remit the same to Affiliate pursuant to an agreed-upon schedule not to exceed one remittance per seven (7) calendar days. If any consumer cancels LPG’s services, or demands a refund for payment for such services, or both, then LPG shall be solely responsive for such cost and Affiliate shall not have to share such expense. LPG has exclusive discretion to grant or deny a requested refund or cancellation. Finally, LPG may treat a consumer’s failure to remit payment in a timely manner as a cancellation of the legal services agreement executed by consumer with LPG, and has sole discretion to make such determination. *See* **Ex. 22**.

///

1           **102.** Pursuant to the Venture Affiliate Agreement, Defendant Venture purported to sell  
2 Debtor streams of monthly payments from consumers that were supposed to be held in trust until  
3 earned. See **Ex. 22**.

4           **103.** By entering into the Venture Affiliate Agreement, Debtor and Defendant Venture  
5 violated federal and state laws by selling unearned legal fees or funds there were supposed to be held  
6 in trust or used for the benefit of consumers.

7           **104.** The Venture Affiliate Agreement violates Sections 6151 and 6155 of the California  
8 Business and Professional Code, which prohibit referrals of potential clients to attorneys unless  
9 registered with the State Bar of California. Cal. Bus. & Prof. Code § 6155. “Referral activity”  
10 includes “any entity ‘which, in person, electronically, or otherwise, refers the consumer to an attorney  
11 or law firm not identified’ in the advertising.” *Jackson v. LegalMatch.com*, 42 Cal. App. 5th 760,  
12 775 (2019). A referral includes receiving information from potential clients and sending that  
13 information to lawyers, even when the advertiser does not advertise the name of the attorneys and  
14 the clients do not clear the name of the potential attorney after the referral occurred. *Id.*

15           **105.** Further, if any effect of an agreement is to accomplish an unlawful purpose, the  
16 agreement may be declared illegal regardless of the intention of the parties. *Stockton Morris Plan*  
17 *Co. v. Cal. Tractor & Equip. Corp.*, 112 Cal. App. 2d 684, 690 (1952) (citing *Fewel & Dawes, Inc.*  
18 *v. Pratt*, 17 Cal. 2d 85, 91 (1941)). This remains true regardless of whether the contract has been  
19 performed. *Stevens v. Boyes Hot Springs Co.*, 113 Cal. App. 479, 483 (1931) (A contract by a  
20 corporation to purchase its own stock has the effect of illegally withdrawing and paying to a  
21 stockholder a part of the capital stock of the corporation and is illegal and void, regardless of the fact  
22 that the contract is fully performed by the sellers and partially performed by the corporation.);  
23 *Mansfield v. Hyde*, 112 Cal. App. 2d 133, 139 (1952), overruled, *Fomco, Inc. v. Joe Maggio, Inc.*, 8  
24 Cal. Rptr. 459 (1960) (Where object of statute requiring licenses is to prevent improper persons from  
25 engaging in particular activity, or is for purpose of regulating occupation or business for protection  
26 of public, imposition of penalty amounts to prohibition against engaging in occupation or business  
27 without license, and contract made by unlicensed person in violation of statute is invalid.); *Firpo v.*

1 illegal and he is not entitled to recover thereon where he fails to secure the license required by law  
2 to carry on his business.).

3 **106.** Because the Venture Affiliate Agreement violates federal and state law, it is void,  
4 unenforceable, and subject to avoidance as fraudulent. Any alleged consideration provided under the  
5 Venture Affiliate Agreement was unlawful.

6 **107.** Unlawful consideration is that which is: “(1) contrary to an express provision of law;  
7 (2) contrary to the policy of express law, though not expressly prohibited; or (3) otherwise contrary  
8 to good morals.” Cal. Civ. Code § 1667. “If any part of a single consideration for one or more objects,  
9 or of several considerations for a single object, is unlawful, the entire contract is void.” Cal. Civ.  
10 Code § 1608.

11 **ii. Accounts Receivable Purchase Agreements**

12 **108.** On or about February 16, 2023, Defendant Venture entered into an Accounts

22 Receivable Purchase Agreement with Debtor and Defendant ProofPositive (“ARPA 21”). A true and

24 **112.** ARPA 18, ARPA 19, ARPA 20, and ARPA 21 are referred to collectively hereinafter  
25 as the “Venture ARPA Agreements”.

26 **113.** Pursuant to the Venture ARPA Agreements, Debtor purported to sell Defendant  
27 Venture streams of monthly payments from consumers that were supposed to be held until earned.

28 ///

1           **114.** By entering into the Venture ARPA Agreements, Debtor and Defendant Venture  
2 violated federal and state laws by selling unearned legal fees or funds there were supposed to be held

4           **115.** The effect of the Venture ARPA Agreements was to accomplish an unlawful purpose.

7 either reflected secured liens against the Debtor's assets then owned or thereafter acquired, or  
8 provided evidence of the assignment or sale of substantial portions of the Debtor's future income.

9           **144.** When the Transfers were made, these prior UCC-1 statements secured the repayment  
10 of the following claimed amounts that are currently known to Trustee and are allegedly owed by the  
11 Debtor: (i) \$2,374,004.82 owed to Fundura Capital Group as evidenced by Proof of Claim No. 335  
12 purportedly secured by a UCC statement filed on or about May 19, 2021; (ii) approximately \$15  
13 million dollars owed to MNS Funding, LLC as evidenced by Proof of Claim No. 1060 purportedly  
14 secured by a UCC statement filed on or about May 28, 2021; (iii) approximately \$5,000,000 owed  
15 to Azzure Capital, LLC as evidenced by Proof of Claim No. 127 secured by a UCC statement filed  
16 on or about May 28, 2021; and (iv) approximately \$1.5 million dollars owed to Diverse Capital, LLC  
17 purportedly secured by UCC statements filed on or about September 15, 2021, and December 1,  
18 2021.<sup>3</sup>

19           **145.** As alleged above, LPG was borrowing against its assets and future income, often on  
20 unfavorable terms, not only to finance operations at LPG, but also to pay the fees owed to the  
21 marketing affiliates for providing it with consumer clients. Pursuant to the agreements with the  
22 marketing companies, significant percentages of future payments were already promised to be paid  
23 to the marketing affiliates from whatever future income the Debtor would receive.

24           **146.** In addition, on Debtor's Schedule E/F [Bankr. Docket No. 33], Debtor scheduled 11  
25 unsecured creditors with priority unsecured claims totaling \$374,060.04. These priority unsecured  
26 creditors include Indiana Dept. of Revenue, Dept. of Labor and Industries, Arizona Dept. of  
27

28           <sup>3</sup> Trustee reserves all rights, claims, and defenses with respect to these and any other purported  
secured or unsecured claims.

1 Economic Security, Arkansas Dept. of Finance & Admin., California Franchise Tax Board, Georgia  
2 Dept. of Labor, Internal Revenue Service, Mississippi Dept. of Revenue, Nevada Dept. of Taxation,  
3 Utah State Tax Commission, and Wisconsin Dept. of Revenue (collectively, “Priority Unsecured  
4 Creditors”).

5       **147.** Another group of creditors that Debtor listed on its Schedule E/F [Bankr. Docket No.  
6 33] are nonpriority unsecured creditors. Those 58 creditors have scheduled claims totaling  
7 \$141,439,158.05 and include Ajilon; Anthem Blue Cross; Azevedo Solutions Groups, Inc.; Carolina  
8 Technologies & Consulting Invoice; Collaboration Advisors; Credit Reporting Service Inc.; CT  
9 Corporation – Inv.; Debt Pay Pro; Document Fulfillment Services; EnergyCare, LLC; Exela  
10 Enterprise Solutions; First Legal Network, LLC; GHA Technologies Inc.; Harrington Electric, Inc.;

16 DVI Fund 1, LLC; MC DVI Fund 2, LLC; Debt Validation Fund II, LLC; Tustin Executive Center;

21 “Nonpriority Unsecured Creditors” and, together with the Secured Creditors and Priority Unsecured  
22 Creditors, “Prepetition Creditors”).

23       **148.** As of the filing of this complaint, approximately 5,771 claims have been filed with  
24 the bankruptcy Court. While Trustee has not reviewed all claims as of the date of this complaint, and  
25 reserves all rights to object to those claims, the total amount is in excess of approximately  
26 \$717,507,462.29.

**FIRST CLAIM FOR RELIEF**

**Count I - Avoidance, Recovery, and Preservation of Actual Fraudulent Transfers Against  
Defendant ProofPositive  
[11 U.S.C. §§ 548(a)(1)(A), 550, and 551]**

**149.** Plaintiff realleges and incorporates here by reference each and every allegation contained in paragraphs 1 through 148 as though set forth in full.

**150.** The ProofPositive Affiliate Agreement and ProofPositive ARPA Agreements and all or a portion of the ProofPositive Transfers occurred within the two years prior to the Petition Date.

**151.** On or after the date that such agreements were executed and the ProofPositive Transfers were made, entities to which Debtor was or became indebted include the Prepetition Creditors.

**152.** The ProofPositive Transfers happened while Debtor was insolvent or rendered Debtor insolvent.

**153.** Despite Debtor's obligation to the Prepetition Creditors, Debtor continued to pay Defendant ProofPositive sums received from consumers under the ProofPositive Affiliate Agreement and ProofPositive ARPA Agreements which constitutes an illegal capping agreement between Defendant ProofPositive and Debtor. Any obligation of the Debtor arising from such agreements are also avoidable as fraudulent.

**154.** Despite Debtor's obligation to the Prepetition Creditors, Defendant ProofPositive continued to sell or transfer portions of its accounts receivable to Debtor, which is illegal under federal and state laws.

**155.** The ProofPositive Transfers were made with actual intent to hinder, delay, or defraud creditors of Debtor.

**156.** The Debtor was operating a Ponzi scheme and the Ponzi Scheme Presumption can be utilized to infer the Debtor's actual intent to defraud within the meaning of 11 U.S.C. section 548(a)(1).

**157.** The Debtor's conduct was done with oppression, fraud, and malice, as defined in Civil Code section 3294, entitling the Trustee to, in addition to the actual damages, exemplary or

punitive damages for making an example of the Debtor and to punish the Debtor.

**158.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and the ProofPositive Transfers of Debtor's funds are avoidable as fraudulent pursuant to 11 U.S.C. §§ 548(a)(1)(A), 550, and 551, and the common law tort of intentional fraudulent transfers by one or more creditors who held and hold unsecured claims against Debtor that were and are allowable against the Estate under 11 U.S.C. § 502 or that were not and are not allowable only under 11 U.S.C. § 502(e), including, without limitation, the Prepetition Creditors.

**159.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and the ProofPositive Transfers should be avoided as fraudulent under 11 U.S.C. § 548(a)(1)(A) and under the common law tort of intentional fraudulent transfers, and such transferred property, or the value thereof, should be recovered and preserved for the benefit of the Estate pursuant to 11 U.S.C. §§ 550 and 551.

## **SECOND CLAIM FOR RELIEF**

### **Count II - Avoidance, Recovery, and Preservation of Constructive Fraudulent Transfers**

#### **Against Defendant ProofPositive**

#### **[11 U.S.C. §§ 548(a)(1)(B), 550, and 551]**

**160.** Plaintiff realleges and incorporates here by reference each and every allegation contained in paragraphs 1 through 159 as though set forth in full.

**161.** The ProofPositive Affiliate Agreement and ProofPositive ARPA Agreements and all or a portion of the ProofPositive Transfers occurred within the two years prior to the Petition Date.

**162.** On or after the date that such agreements were executed and such ProofPositive Transfers were made, entities to which Debtor was or became indebted include the Prepetition Creditors.

**163.** The ProofPositive Transfers happened while Debtor:

- a. was insolvent or became insolvent as a result;
- b. was engaged or was about to engage in a transaction for which any property remaining with Debtor was of unreasonably small capital; or
- c. intended to incur, or believed that it would incur, debts beyond its ability to pay as

1 such debts matured.

2 **164.** Because the referrals from Defendant ProofPositive to Debtor are illegal under  
3 federal and state law, they are void and subject to avoidance as fraudulent. Any purported  
4 consideration constitutes unlawful consideration, which cannot constitute reasonably equivalent  
5 value. Thus, at the time the agreements were executed and the ProofPositive Transfers made, Debtor  
6 received less than reasonably equivalent value.

7 **165.** Furthermore, the Debtor did not receive the reasonably equivalent value of the  
8 ProofPositive Transfers to Defendant ProofPositive because by using Defendant ProofPositive's  
9 money to run a Ponzi scheme there is nothing in Estate for the creditors to share. Rather, the  
10 ProofPositive Transfers exacerbated the harm to creditors by increasing the amount of claims while  
11 diminishing the Debtor's Estate. In this situation, the use of Defendant ProofPositive's money to  
12 further the Debtor's Ponzi scheme cannot be consideration for the ProofPositive Transfers and cannot  
13 objectively be called reasonably equivalent value.

14 **166.** Therefore, Defendant ProofPositive was acting as an investor in the Debtor's Ponzi  
15 scheme. Any transfers made to Defendant ProofPositive can be avoided by the Plaintiff since the  
16 ProofPositive Transfers are preferential and fraudulent such that they constitute property of the Estate  
17 in which the Plaintiff can recover.

18 **167.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and the  
19 ProofPositive Transfers should be avoided as fraudulent under 11 U.S.C. § 548(a)(1)(B), and such  
20 transferred property, or the value thereof, should be recovered and preserved for the benefit of the  
21 Estate pursuant to 11 U.S.C. §§ 550 and 551.

22 **THIRD CLAIM FOR RELIEF**

23 **Count III - Avoidance, Recovery, and Preservation of Actual Fraudulent Transfers Against**  
24 **Defendant ProofPositive**

25 **[11 U.S.C. §§ 544(b), 550, and 551; Cal. Civ. Code §§ 3439.04(a), 3439.04(b), and 3439.07]**

26 **168.** Plaintiff realleges and incorporates here by reference each and every allegation  
27 contained in paragraphs 1 through 167 as though set forth in full.

28 **169.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and all or

1 a portion of the ProofPositive Transfers occurred within the four years prior to the Petition Date.

2 **170.** On or after the date that such agreements were entered and such ProofPositive  
3 Transfers were made, entities to which Debtor was or became indebted include the Prepetition  
4 Creditors.

5 **171.** Despite Debtor's obligation to the Prepetition Creditors, Debtor continued to pay  
6 Defendant ProofPositive sums received from consumers under the ProofPositive Affiliate Agreement  
7 and ProofPositive ARPA Agreements, which constitutes an illegal capping agreement between  
8 Defendant ProofPositive and Debtor.

9 **172.** Because the referrals from Defendant ProofPositive to Debtor are illegal under federal  
10 and state law, they are void and subject to avoidance as fraudulent. Any purported consideration  
11 constitutes unlawful consideration, which cannot constitute reasonably equivalent value. Thus, at the  
12 time the agreements were executed and the ProofPositive Transfers made, Debtor received less than  
13 reasonably equivalent value.

14 **173.** The ProofPositive Transfers were made with actual intent to hinder, delay, or defraud  
15 creditors of Debtor.

16 **174.** The Debtor was operating a Ponzi scheme and the Ponzi Scheme Presumption can be  
17 utilized to infer the Debtor's actual intent to defraud within the meaning of 11 U.S.C. § 548(a)(1).  
18 The Debtor's conduct was done with oppression, fraud, and malice, as defined in Civil Code § 3294,  
19 based on the Ponzi Scheme Presumption, entitling the Trustee to, in addition to actual damages,  
20 exemplary or punitive damages.

21 **175.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and the  
22 ProofPositive Transfers of Debtor's funds are avoidable as fraudulent pursuant to 11 U.S.C. § 544(b)  
23 and Cal. Civ. Code §§ 3439.04(a) and 3439.07 by one or more creditors who held and hold unsecured  
24 claims against Debtor that were and are allowable against the Estate under 11 U.S.C. § 502 or that  
25 were not and are not allowable only under 11 U.S.C. § 502(e), including, without limitation, the  
26 Prepetition Creditors.

27 **176.** Accordingly, the ProofPositive Affiliate Agreement, ProofPositive ARPA  
28 Agreements and the ProofPositive Transfers should be avoided as fraudulent under 11 U.S.C.

1 §§ 544(b) and Cal. Civ. Code §§ 3439.04(a) and 3439.07, and such transferred property, or the value  
2 thereof, should be recovered and preserved for the benefit of the Estate pursuant to 11 U.S.C. §§ 550  
3 and 551 and Cal. Civ. Code § 3439.07.

4 **FOURTH CLAIM FOR RELIEF**

5 **Count IV - Avoidance, Recovery, and Preservation of Constructive Fraudulent Transfers**

6 **Against Defendant ProofPositive**

7 **[11 U.S.C. §§ 544(b), 550, and 551; Cal. Civ. Code §§ 3439.05, and 3439.07]**

8 **177.** Plaintiff realleges and incorporates here by reference each and every allegation  
9 contained in paragraphs 1 through 176 as though set forth in full.

10 **178.** The ProofPositive Affiliate Agreement and ProofPositive ARPA Agreements and all  
11 or a portion of the ProofPositive Transfers occurred within the four years prior to the Petition Date.

12 **179.** The ProofPositive Transfers happened while Debtor:

- 13 a. was insolvent or became insolvent as a result;  
14 b. was engaged or was about to engage in a transaction for which any property remaining  
15 with Debtor was of unreasonably small capital; or  
16 c. intended to incur, or believed that it would incur, debts beyond its ability to pay as  
17 such debts matured.

18 **180.** Because the referrals from Defendant ProofPositive to Debtor are illegal under  
19 federal and state law, the agreements are void and subject to avoidance as fraudulent. Any purported  
20 consideration constitutes unlawful consideration, which cannot constitute reasonably equivalent  
21 value. Thus, at the time the agreements were executed and the ProofPositive Transfers made, Debtor  
22 received less than reasonably equivalent value.

23 **181.** The Debtor was operating a Ponzi scheme and the Ponzi Scheme Presumption can be  
24 utilized to infer the Debtor's actual intent to defraud within the meaning of 11 U.S.C. § 548(a)(1).  
25 The Debtor's conduct was done with oppression, fraud, and malice, as defined in Civil Code § 3294,  
26 based on the Ponzi Scheme Presumption, entitling the Trustee to, in addition to actual damages,  
27 exemplary or punitive damages.

28 **182.** Because the sale of the accounts receivable, as more fully described above, are illegal

1 under federal and state law, they are void and subject to avoidance as fraudulent. Any purported  
2 consideration constitutes unlawful consideration, which cannot constitute reasonably equivalent  
3 value. Thus, at the time the agreements were executed and the Transfers made, Debtor received less  
4 than reasonably equivalent value.

5 **183.** The ProofPositive Affiliate Agreement, ProofPositive ARPA Agreements and the  
6 ProofPositive Transfers of Debtor's funds are avoidable as fraudulent pursuant to 11 U.S.C. § 544(b)  
7 and Cal. Civ. Code §§ 3439.05 and 3439.07 by one or more creditors who held and hold unsecured  
8 claims against Debtor that were and are allowable against the Estate under 11 U.S.C. § 502 or that  
9 were not and are not allowable only under 11 U.S.C. § 502(e), including, without limitation, the  
10 Prepetition Creditors.

11 **184.** Accordingly, the ProofPositive Affiliate Agreement, ProofPositive ARPA  
12 Agreements and the ProofPositive Transfers should be avoided as fraudulent under 11 U.S.C.  
13 §§ 544(b) and Cal. Civ. Code §§ 3439.05 and 3439.07, and such transferred property, or the value  
14 thereof, should be recovered and preserved for the benefit of the Estate pursuant to 11 U.S.C. §§ 550  
15 and 551 and Cal. Civ. Code § 3439.07.

16 **FIFTH CLAIM FOR RELIEF**

17 **Count V - Avoidance, Recovery, and Preservation of Preferential Transfer to Defendant**

18 **ProofPositive in Preference Period [11 U.S.C. §§ 547, 550, and 551]**

19 **185.** Plaintiff realleges and incorporates herein by reference each and every allegation  
20 contained in paragraphs 1 through 184 as though set forth in full.

21 **186.** \$100,648.88 of the ProofPositive Transfers are ProofPositive Preference Transfers  
22 from Debtor to Defendant ProofPositive. *See* **Ex. 20**.

23 **187.** The ProofPositive Preference Transfers were made for, or on account of, an  
24 antecedent debt or debts owed by the LPG to Defendant ProofPositive, each of which constituted a  
25 "debt" or "claim" (as those terms are defined in the Bankruptcy Code) of Defendant ProofPositive.

26 **188.** The ProofPositive Preference Transfers happened while LPG was insolvent.

27 **189.** Debtor is also entitled to the presumption of insolvency when the ProofPositive  
28 Preference Transfers happened pursuant to 11 U.S.C. § 547(f).

**190.** As a result of the ProofPositive Preference Transfers, Defendant ProofPositive recovered more than it would have received if: (i) the Debtor's case was under chapter 7 of the Bankruptcy Code; (ii) the ProofPositive Preference Transfers had not been made; and (iii) Defendant ProofPositive received payments of its debts under the provisions of the Bankruptcy Code. As evidenced by the Debtor's schedules filed in the underlying Bankruptcy Case, as well as the proofs of claim that have been received to date, the Debtor's liabilities exceed its assets to the point that unsecured creditors will not receive a full payout of their claims from the Debtor's Estate.

**191.** In accordance with the foregoing, the ProofPositive Preference Transfers is avoidable pursuant to 11 U.S.C. § 547(b), and may be recovered and preserved for the benefit of the estate pursuant to 11 U.S.C. §§ 550 and 551.

### **SIXTH CLAIM FOR RELIEF**

### Count VI - Avoidance, Recovery, and Preservation of Post-Petition Transfers

**[11 U.S.C. §§ 549, 550, and 551]**

**192.** Plaintiff realleges and incorporates herein by reference each and every allegation contained in paragraphs 1 through 191 as though set forth in full.

**193.** This is an action to pursuant to 11 U.S.C. §§ 549 and 550 to avoid and recover unauthorized post-petition transfers, including the known ProofPositive Post-Petition Transfers and Venture Post-Petition Transfers, hereinafter collectively referred to as the “Post-Petition Transfers”, made by Debtor, including through Debtor’s accounting entities PrimeLogix and Vulcan.

**194.** To the extent any Post-Petition Transfers were made by the Debtor, including through Debtor's accounting entities PrimeLogix and Vulcan, to Defendant ProofPositive and Venture following the Petition Date and are not identified herein, Plaintiff reserves the right to amend the Complaint to identify the Post-Petition Transfers and seek the avoidance and recovery of them pursuant to 11 U.S.C. §§ 549 and 550.

**195.** Those Post-Petition transfers to Defendant ProofPositive and Venture that are known to the Trustee at this time are identified on **Exhibit 21** and **Exhibit 27**.

///

**SEVENTH CLAIM FOR RELIEF**

**Count VII - Turnover of Estate Property Against Defendants**

**[11 U.S.C. § 542]**

**196.** Plaintiff realleges and incorporates herein by reference each and every allegation contained in paragraphs 1 through 195 as though set forth in full.

**197.** Defendants have possession or control over property of the Estate but not limited to the ProofPositive Transfers and Post-Petition Transfers, hereinafter referred to collectively as “Transfers”, any preference transfers, and any post-petition transfers made pursuant to illegal and unenforceable agreements.

**198.** The property, including but not limited to the Transfers, any preference transfers, and any post-petition transfers are not of inconsequential value to the Estate.

**199.** The funds that are the subject of the Transfers, any preference transfers, and any post-petition transfers are paramount to Debtor’s ability to pay creditors.

**200.** Accordingly, Trustee is entitled to a judgment for turnover of the Transfers pursuant to 11 U.S.C. § 542.

**EIGHTH CLAIM FOR RELIEF**

**Count VIII – Disallowance of Claims Against Defendants ProofPositive and Venture**

**[11 U.S.C. § 502(d)]**

**201.** Plaintiff realleges and incorporates herein by reference each and every allegation contained in paragraphs 1 through 200 as though set forth in full.

**202.** Defendants ProofPositive and Venture jointly filed the PPV Claim, as amended, alleging that Debtor owes it \$15,959,308.55. *See* **Ex. 30**.

**203.** Defendants ProofPositive filed another proof of claim, the ProofPositive Proof of Claim, alleging that Debtor owes it \$1,053,690.00. *See* **Ex. 31**.

**204.** Pursuant to the settlement agreement, described above, these amounts are now Class 3 General Unsecured claims.

///

///

**205.** However, the PPV Claim and ProofPositive Proof of Claim are based on unenforceable and illegal agreements which are not enforceable. The PPV and ProofPositive Proof of Claim should be disallowed for this reason.

**206.** Furthermore, Defendant ProofPositive and Venture have received the pre-petition and post-petition transfers identified herein. The Trustee has made demanded for the avoidance and recovery of these transfers, and the amount of the transfers have not been returned to the Trustee. Thus, the PPV Claim and ProofPositive Proof of Claim and any other claims having been filed or to be filed by Defendants ProofPositive and Venture in the Bankruptcy case should be disallowed in their entirety pursuant to 11 U.S.C. § 502(d).

## **NINTH CLAIM FOR RELIEF**

### **Count IX - Aiding and Abetting Fraudulent Transfer Against Defendants**

[11 U.S.C. §§ 544(b), 550, and 551; Cal. Civ. Code §§ 3439.04(a), 3439.04(b), and 3439.07

**207.** Plaintiff realleges and incorporates herein by reference each and every allegation contained in paragraphs 1 through 206 as though set forth in full.

**208.** Defendants had knowledge of the fraudulent transactions, transfers, and agreements that were used to perpetuate and conceal the Ponzi scheme and fraudulent transfers.

**209.** Defendants, with the foregoing knowledge, intended to, and did, help the Debtor and other scheme participants in perpetuating and concealing the Ponzi scheme and fraudulent transfers of money.

**210.** At all material times, Defendants had the intent to facilitate and conceal the Ponzi scheme and fraudulent transfers of money by aiding and abetting the illegal capping scheme and signing up consumer clients to keep the business going.

**211.** Defendants assisted, and did actually engage in, LPG's commission of fraud and Ponzi scheme by coordinating, facilitating, and directing payments and transfers of monies and executing documents in furtherance of concealing the true nature of their fraudulent and criminal activity related to the Ponzi scheme.

**212.** Without in any way limiting the foregoing, as Managing Members of Defendant ProofPositive and Venture, respectively, Defendants D. Hanson and G. Hanson used their control

1 over Defendant ProofPositive and Venture, respectively, to support, participate in, and benefit from  
2 LPG's Ponzi scheme and fraudulent transfers.

3 **213.** The injuries to Plaintiff, the Debtor's Estate and to its creditors directly, proximately  
4 and reasonably foreseeably resulting from and caused by these fraudulent transfers and Ponzi scheme  
5 include, without limitation, hundreds of thousands of dollars in improperly transferred and acquired  
6 monies.

7 **214.** The property, including but not limited to the Transfers are not of inconsequential  
8 value to the Estate and recovering these funds is paramount to Debtor's ability to pay creditors.

9 **215.** Plaintiff and the Debtor's Estate also suffered damages by incurring attorney's fees  
10 and costs associated with the prosecution of Defendants' unlawful activities.

11 **RESERVATION OF RIGHTS**

12 Plaintiff reserves the right to bring all other claims or causes of action that Plaintiff may have  
13 against Defendants, on any and all grounds, as allowed under the law or in equity, including but not  
14 limited to, those claims not known by the Trustee at this time but that he may discover during the  
15 pendency of this adversary proceeding.

16 **PRAYER FOR RELIEF**

17 **WHEREFORE**, Plaintiff prays for a judgment as follows:

18 **On The First, Second, Third, and Fourth Claims for Relief:**

19 1. Avoiding, recovering, and preserving the Transfers against Defendant ProofPositive;

20 **On the Fifth Claim for Relief:**

21 2. Avoiding, recovering, and preserving the Preference Transfers against Defendant  
22 ProofPositive;

23 **On the Sixth Claim for Relief:**

24 3. Avoiding, recovering, and preserving the Post-Petition Transfers against Defendant  
25 ProofPositive and Venture;

26 **On the Seventh Claim for Relief:**

27 4. Ordering Defendants to immediately turn over the Transfers;

28 **On the Eighth Claim for Relief:**

1 5. Order disallowing Defendants ProofPositive's and Venture's proof of claim.

2 **On the Ninth Claim for Relief:**

LPG and Affiliate hereby agree to the following:

1. Each Party shall be solely responsible for bearing its own costs and expenses incurred in performing its responsibilities under this Agreement, including all tariffs, filings, licensing and/or other fees.
2. Affiliate shall comply with state and federal laws in communicating with consumers regarding LPG, any law firm utilized by LPG, or any of the programs of LPG or the assigned law firm.
3. Both LPG and the law firm it utilizes shall comply with all state and federal laws in performing its obligations under the legal services agreement entered into between LPG and the consumers referred by Affiliate.
4. If requested by LPG, Affiliate shall provide a copy of all marketing materials to LPG upon receiving a request from LPG. Affiliate shall endeavor to provide such materials within 10 business days of such request, but may provide such materials in any time frame that is commercially reasonable.
5. Affiliate agrees to keep any and all documents or communications between itself and LPG confidential pursuant to the provisions set forth below, and shall not share or disclose such documents to any party with prior, express written consent.
6. Affiliate shall be entitled to receive the following as full and complete compensation for its services to LPG: LPG shall pay 70% per file for each file that Affiliate places with LPG, not counting the monthly maintenance fee of \$96.38, which LPG shall retain to cover administrative costs for each file. LPG shall calculate the amount of each file, apply the above-identified percentage fee, and remit the same to Affiliate pursuant to an agreed-upon schedule not to exceed one remittance per seven (7) calendar days. If any consumer cancels LPG's services, or demands a refund for payment for such services, or both, then LPG shall be solely responsive for such cost and Affiliate shall not have to share such expense. LPG has exclusive discretion to grant or deny a requested refund or cancellation. Finally, LPG may treat a consumer's failure to remit payment in a timely manner as a cancellation of the legal services agreement executed by consumer with LPG, and has sole discretion to make such determination.
7. LPG shall bear all expenses related to the services it offers to consumers, and Affiliate shall bear all expenses related to its marketing of the same except as is set forth in this Paragraph. Neither LPG nor Affiliate shall be required to pay the expenses of the other.
8. LPG reserves all rights with regard to rejection or cancellation of a consumer, but will do so only in accordance with the recommendation of the law firm utilized in providing such service, and only subject to the applicable state bar rules for such representation.
9. This agreement shall continue to operate and bind LPG and Affiliate for a period of twelve (12) months from the date of execution of this Agreement. At that time, this Agreement will automatically renew until either party sends written notice of cancellation of this Agreement, which shall be effective

30 days after LPG or Affiliate postmarks or emails a cancellation letter stating the intent of that party to terminate this Agreement. If such cancellation letter is sent by either party, it shall be effective 30 days from the date of postmark or email, and shall terminate this Agreement and release either party from the obligations contained herein.

10. If either party shall default under this Agreement, defined as a failure to comply with any of the obligations set forth above, the Agreement shall terminate following notice of default and a cure period of 30 days from the date postmarked on the notice of default. The notice of default must state with specificity the act of default alleged.

11. Upon termination of this Agreement for any reason whatsoever, LPG and Affiliate will refrain from making any disparaging or negative comment, remark, statement, or implication, whether written or oral.

12. The confidential information of LPG or Affiliate shall include information regarding contracts, customer or client lists or information, hardware, software, screens, specifications, designs, plans, drawings, data, prototypes, discoveries, research, developments, methods, processes, procedures, improvements, 'Know-how', compilations, market research, marketing techniques and plans, marketing materials, business plans and strategies, documents, scripts, guidelines, price lists, pricing policies and financial information or other business and/or technical information and materials, in oral, demonstrative, written, graphic or machine-readable form, which is unpublished, not available to the general public or trade, and which is maintained as confidential and proprietary information by the disclosing party for regulatory, customer relations, and/or competitive reasons. Neither LPG nor Affiliate may disclose the confidential information of the other with the express written consent of the other. A failure to abide by this confidentiality term shall entitle the party whose confidential information was compromised to a reasonable sum not less than \$50,000.00, nor more than \$200,000.00. The disclosure of information in connection with a judicial proceeding shall not constitute a violation of this term. The parties agree to notify the other if any inadvertent disclosure of information occurs within 48 hours of becoming aware of such disclosure. The parties agree to work together in good faith to remediate any disclosure of confidential information. A party whose confidential information is disclosed shall be entitled to injunctive relief in any court of competent jurisdiction.

13. If, after the passage of six months of the date of this Agreement, Affiliate fails, in any one calendar month, to have at least fifty (50) active consumers, LPG shall withhold 20% of the fees due to Affiliate for said month in an escrow account. Such fees shall be held in escrow until, in a single calendar month, Affiliate has fifty (50) or more active consumers, at which point, within five (5) business days of the end of such calendar month, LPG shall transfer the balance of such escrow account to Affiliate and retain nothing in such escrow account. If Affiliate shall cease operations for any reason, or this Agreement shall terminate for any reason, Affiliate will continue to receive fees due to it under this Agreement until all active consumers have completed or withdrawn from the program, at which point any remaining amounts being held in escrow shall be released to Affiliate in full.

14. Affiliate agrees not to use the name LPG or any law firm in any advertising, publicity release, or sales presentation designed to promote Affiliate's service, unless LPG provides prior written consent to such specific use.

15. Any fees incurred by LPG in connection with a customer's Non-Sufficient Funds ("NSF") fee shall be borne exclusively by LPG.
16. This Agreement may not be assigned or transferred without the prior written consent of the other. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.
17. In the event of a breach, the prevailing party shall be entitled to reasonable attorneys' fees and collection costs, including all fees and costs on appeal.
18. This Agreement contains the entire Agreement between the Parties, and shall not be modified, amended or supplemented, or any rights therein waived, unless specifically agreed upon in writing by LPG and Affiliate.

## ACCOUNTS RECEIVABLE PURCHASE AGREEMENT

This ACCOUNTS RECEIVABLE PURCHASE AGREEMENT (this “**Agreement**”) is made as of June 25, 2022 (the “**Agreement Date**”), by and between ProofPositive LLC. (the “**Buyer**”), and GoFi LLC (the “**Seller**”, and together with the Buyer, the “**Parties**”).

### RECITALS

WHEREAS, in the regular course of business, the Seller originates account receivables from Litigation Practice Group LLC (“**LPG**”) in connection with client on-boarding services provided by the Seller to LPG and its affiliates;

WHEREAS, the account receivables represent an obligation of various clients to pay Seller for services that Seller previously provided, but which The Litigation Practice Group PC (“**LPG**”) shall provide from the date of execution of this Agreement;

WHEREAS, the Seller desires to sell, assign, transfer, and deliver to the Buyer, and the Buyer desires to purchase, acquire, and accept from the Seller, certain of these account receivables (the “**Purchased Accounts**”).

NOW, THEREFORE, in consideration of the covenants and representations set forth herein, the Parties, intending to be legally bound, agree as follows:

### ARTICLE 1. DEFINITIONS

Section 1.1 Certain Definitions. Certain defined terms used in this Agreement are set forth on Exhibit A.

### ARTICLE 2. ASSIGNMENT AND TRANSFER AND CONSIDERATION

Section 2.1 Assignment of the Purchased Accounts to the Buyer. Upon execution of this Agreement and subject to the terms and conditions set forth herein, the Seller shall sell, assign, transfer, and deliver, and the Buyer shall purchase, acquire, and accept from the Seller, all of the Seller’s right, title, and interest in and to the Purchased Accounts set forth on the spreadsheet attached to this Agreement, free and clear of any Liens. Other than the Purchased Accounts, the Buyer shall not purchase or acquire any other assets of the Seller (collectively, the “**Excluded Assets**”).

Section 2.2 No Assumption of Liabilities. The Buyer shall not assume any Liabilities of the Seller of any kind, whether known or unknown, contingent, matured, or otherwise, whether currently existing or hereinafter created (collectively, the “**Excluded Liabilities**”).

Section 2.3 Payment of Purchase Price. Buyer shall pay \$1,200.00, for each Purchased Account (the “**Purchase Price**”). The aggregate purchase price for the Purchased Accounts shall be \$289,200.00 (the “**Upfront Cash Payment**”), which the buyer shall pay to the Seller at the Closing by wire transfer of immediately available funds in accordance with the wire transfer instructions set forth in Schedule 2.3 (the “**Wire Instructions**”).

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.1 Organization; Good Standing. The Buyer is a limited liability company, duly organized, validly existing, and in good standing under the Laws of the State of Florida.

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not

conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a **"Direct Claim"**), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a **"Notice of Claim"**). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## ARTICLE 7. MISCELLANEOUS

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for which it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of California and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the "**Confidential Information**"). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller's own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller's employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not

conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties

of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

**Section 6.5 Indemnification by the Buyer.** Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

**Section 6.6 Indemnification Procedures.**

(a) **No Restraints.** Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party's own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## ARTICLE 7. MISCELLANEOUS

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for which it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of California and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties

of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

(a) **No Restraints.** Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party's own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## ARTICLE 7. MISCELLANEOUS

All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

#### **REPRESENTATIONS AND WARRANTIES OF THE BUYER**

This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7.**

### **MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. **REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a **"Direct Claim"**), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a **"Notice of Claim"**). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.  
REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. #### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.1 Organization; Good Standing. The Buyer is a limited liability company, duly organized, validly existing, and in good standing under the Laws of the State of Florida.

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of,

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of,

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7.**

### **MISCELLANEOUS**

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of California and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.1 Organization; Good Standing. The Buyer is a limited liability company, duly organized, validly existing, and in good standing under the Laws of the State of Wyoming.

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of,

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of,

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of California and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

#### **REPRESENTATIONS AND WARRANTIES OF THE BUYER**

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Arizona and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as **Exhibit B** (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of,

arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party

Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. **ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of California and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

#### **REPRESENTATIONS AND WARRANTIES OF THE BUYER**

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Re: In re: The Litigation Practice Group, P.C.  
U.S. Bankruptcy Court, Central District of California, Case No. 8:23-bk-10571

Dear Sir/Madam:

This firm represents Richard A. Marshack, solely in his capacity as Chapter 11 Trustee ("Trustee") for the bankruptcy estate of The Litigation Practice Group, P.C. ("Debtor") in the above-referenced bankruptcy case. Pursuant to 11 U.S.C. § 1107 and his appointment as Trustee, the Trustee has the obligation to investigate and pursue claims, including avoidance actions.

After a review of the Debtor's books and records, the Trustee believes that he may have claims against you to avoid and recover certain payments. This letter is written in an attempt to settle such claims, and its contents may not be used for any other purpose.

Section 547 of the Bankruptcy Code permits a trustee or debtor-in-possession to avoid certain payments made to creditors within the 90-day period preceding the filing of a bankruptcy case. We have completed our preliminary investigation and have identified certain transfers from the Debtor(s) to you within the 90-day period prior to March 20, 2023, the date upon which the Debtor filed its bankruptcy case. These transfers are listed on the attached "Preference Transfer Schedule" showing the date and amount, according to the Debtor's books and records, of each transfer or other payment. The payments referenced on the "Preference Transfer Schedule" total \$ 50,411.25. It appears that these transfers are preferential transfers which can be avoided by the Trustee and recovered from you pursuant to 11 U.S.C. §§ 547(b) and 550(a). This means that the Trustee can file suit in the bankruptcy court to recover these sums and object to payment of any claims you have against the Debtor until the suit is resolved.

Additionally, if you have filed a proof of claim against the Debtor, that claim may be disallowed pursuant to Section 502(d) of the Bankruptcy Code for failure to return an avoidable

transfer. This means that if the preference claims against you are not resolved, then you may not receive a distribution from the Debtor's bankruptcy estate. The Trustee reserves the right to object to any proof of claim that you have filed or may file in the debtors' bankruptcy cases.

Before proceeding with such litigation, we wanted to take the opportunity to advise you of this potential liability and make an offer to settle the matter without court intervention. Specifically, the Trustee is willing to release any preference claims against you in exchange for a payment of all amounts transferred to you within the 90-day preference period, as set forth below.

If the payment proposal above is acceptable, please sign the original of this letter where indicated and return it with the appropriate payment no later than September 28, 2023. Please make payment to the order of Richard A. Marshack, Chapter 11 Trustee. All funds sent will be held in the Trustee's account for this case pending further orders of the Bankruptcy Court.

In the alternative, if you believe a valid defense to recovery exists for some or all of the transfers from the Debtor, please bring such defenses to our attention and we will assess any evidence you provide in support of a defense. We have made efforts to analyze your reasonably known affirmative defenses to the avoidance of the preference payments. Based on our currently available information and given the nature of your relationship with the Debtor, we do not believe there are any potential defenses to reduce your liability for the preference payments. There may be information or facts that we do not have to assess your potential defenses. If you intend to assert a defense, please provide all documents evidencing any alleged defenses under 11 U.S.C. § 547(c), including, but not limited to, contracts, invoices and any other documentation showing the date, terms and amounts for the transfers received and any documents evidencing shipment dates as to goods and services provided by you to the Debtors. To properly assert a defense, such information must show the date of receipt of the Debtors' payment and the amount, deposit date, and any proof of deposit for any or all of the transfers. In addition, if you assert an ordinary course of business defense, please provide the previous information for the one year period immediately preceding March of 2023, or for the period that you actually did business with the Debtor, if less than one year. Please make arrangements to provide any evidence in support of a defense to us as soon as possible.

If we have not received any reply to this letter by September 28, 2023, we will proceed to pursue recovery of the preferential transfers by filing suit against you in the bankruptcy court. The Trustee also reserves all rights to bring additional claims against you as the investigation into your relationship with the Debtor continues and/or after discovery begins once a suit is filed.

Of course, we would be happy to discuss this matter with you or your counsel.

Very truly yours,

DINSMORE & SHOHL LLP

  
Tyler Powell, Partner of Counsel

**The payment proposal set forth above is understood, acknowledged and voluntarily agreed to. In exchange for a waiver and release from all claims that could be asserted by the Trustee of The Litigation Practice Group, P.C. pursuant to 11 U.S.C. §§ 547 and 550, I am authorized to accept this proposal on behalf of Point Break Holdings, LLC. The sum of \$\_\_\_\_\_ is enclosed. I understand I may amend my claim to include the amount paid as part of my unsecured claim.**

THIS AGREEMENT (the "Agreement") is made and effective as of the 16th day of February, 2023 by and between The Litigation Practice Group PC ("LPG") and **Venture Partners LLC** (hereinafter "Affiliate").

RECITALS:

LPG is in the business of providing a package debtor's rights services in the form of debt validation, consultation, and litigation defense through a network of attorneys licensed to practice law in all 50 states and the District of Columbia. The legal services offered include:

- Removal of invalid debts through correspondence directly with the three credit bureaus;
- Validation of consumer debts through correspondence including disputes with original creditors, validation demands to third party debt collectors and assignees, and disputes with all three credit bureaus;
- Defense of collection actions initiated by original creditors or third party assignees;
- Negotiation of advantageous settlements of consumer debts both pre and post litigation;
- Education of clients regarding federal laws applicable to consumer debt and credit reporting, and consultation regarding risk mitigation and litigation defense through its network of attorneys across the country.

Each of these services is offered without regard to the identity of the creditor or third-party debt collector or assignee. LPG reviews all client files prior to the execution of the client's legal services agreement with the appropriate law firm, and maintains oversight through its administrative services over all file placements.

Affiliate owns and operates a system of generating leads consisting of consumers interested in the legal services offered by LPG. Affiliate, acting in accordance with direction from LPG, shall obtain the names of Consumers and will market in a lawful manner, complying with the restrictions of the jurisdiction in which the consumer resides. For consumers interested in utilizing LPG's services, Affiliate will assist LPG in having consumers execute an approved legal services agreement with a law firm to which LPG provides administrative support services, at which point consumers will become clients of that law firm, and that law firm will be exclusively responsible for and liable for the representation of consumers in the context of the provision of legal services. Nothing in this Agreement nor in the eventual legal services agreement shall restrict Affiliate from offering any other service of any kind to consumer, including credit repair or debt relief programs. Nor is Affiliate restricted from marketing on behalf of credit repair or debt relief entities, including but not limited to other law firms. LPG and Affiliate hereby agree that any and all prior agreements entered into by LPG and Affiliate or any law firm to which LPG provides administrative support services and Affiliate are null and void and unenforceable, and this Agreement shall become the operative agreement for all files previously placed through the use of LPG's administrative support services.

Affiliate is being retained by LPG to provide marketing and customer service functions only. All payments made to Affiliate are for services actually rendered, and do not constitute a revenue or fee sharing agreement. The method used to determine the value of the services rendered by Affiliate to LPG were

selected by both parties based upon industry standard and effective valuation, and not for any other purpose.

LPG and Affiliate hereby agree to the following:

1. Each Party shall be solely responsible for bearing its own costs and expenses incurred in performing its responsibilities under this Agreement, including all tariffs, filings, licensing and/or other fees.
2. Affiliate shall comply with state and federal laws in communicating with consumers regarding LPG, any law firm utilized by LPG, or any of the programs of LPG or the assigned law firm.
3. Both LPG and the law firm it utilizes shall comply with all state and federal laws in performing its obligations under the legal services agreement entered into between LPG and the consumers referred by Affiliate.
4. If requested by LPG, Affiliate shall provide a copy of all marketing materials to LPG upon receiving a request from LPG. Affiliate shall endeavor to provide such materials within 10 business days of such request, but may provide such materials in any time frame that is commercially reasonable.
5. Affiliate agrees to keep any and all documents or communications between itself and LPG confidential pursuant to the provisions set forth below, and shall not share or disclose such documents to any party with prior, express written consent.
6. Affiliate shall be entitled to receive the following as full and complete compensation for its services to LPG: LPG shall pay 85% per file for each file that Affiliate places with LPG, not counting the monthly maintenance fee of \$31.46 (15% of the \$76.38 plus \$20), which LPG shall retain to cover administrative costs for each file. LPG shall calculate the amount of each file, apply the above-identified percentage fee, and remit the same to Affiliate pursuant to an agreed-upon schedule not to exceed one remittance per seven (7) calendar days. If any consumer cancels LPG's services, or demands a refund for payment for such services, or both, then LPG shall be solely responsive for such cost and Affiliate shall not have to share such expense. LPG has exclusive discretion to grant or deny a requested refund or cancellation. Finally, LPG may treat a consumer's failure to remit payment in a timely manner as a cancellation of the legal services agreement executed by consumer with LPG, and has sole discretion to make such determination.
7. LPG shall bear all expenses related to the services it offers to consumers, and Affiliate shall bear all expenses related to its marketing of the same except as is set forth in this Paragraph. Neither LPG nor Affiliate shall be required to pay the expenses of the other.
8. LPG reserves all rights with regard to rejection or cancellation of a consumer, but will do so only in accordance with the recommendation of the law firm utilized in providing such service, and only subject to the applicable state bar rules for such representation.
9. This agreement shall continue to operate and bind LPG and Affiliate for a period of forty-eight (48) months from the date of execution of this Agreement. At that time, this Agreement will automatically

renew until either party sends written notice of cancellation of this Agreement, which shall be effective 30 days after LPG or Affiliate postmarks or emails a cancellation letter stating the intent of that party to terminate this Agreement. If such cancellation letter is sent by either party, it shall be effective 30 days from the date of postmark or email, and shall terminate this Agreement and release either party from the obligations contained herein.

10. If either party shall default under this Agreement, defined as a failure to comply with any of the obligations set forth above, the Agreement shall terminate following notice of default and a cure period of 30 days from the date postmarked on the notice of default. The notice of default must state with specificity the act of default alleged.

11. Upon termination of this Agreement for any reason whatsoever, LPG and Affiliate will refrain from making any disparaging or negative comment, remark, statement, or implication, whether written or oral.

12. The confidential information of LPG or Affiliate shall include information regarding contracts, customer or client lists or information, hardware, software, screens, specifications, designs, plans, drawings, data, prototypes, discoveries, research, developments, methods, processes, procedures, improvements, 'Know-how', compilations, market research, marketing techniques and plans, marketing materials, business plans and strategies, documents, scripts, guidelines, price lists, pricing policies and financial information or other business and/or technical information and materials, in oral, demonstrative, written, graphic or machine-readable form, which is unpublished, not available to the general public or trade, and which is maintained as confidential and proprietary information by the disclosing party for regulatory, customer relations, and/or competitive reasons. Neither LPG nor Affiliate may disclose the confidential information of the other with the express written consent of the other. A failure to abide by this confidentiality term shall entitle the party whose confidential information was compromised to a reasonable sum not less than \$50,000.00, nor more than \$200,000.00. The disclosure of information in connection with a judicial proceeding shall not constitute a violation of this term. The parties agree to notify the other if any inadvertent disclosure of information occurs within 48 hours of becoming aware of such disclosure. The parties agree to work together in good faith to remediate any disclosure of confidential information. A party whose confidential information is disclosed shall be entitled to injunctive relief in any court of competent jurisdiction.

13. If, after the passage of six months of the date of this Agreement, Affiliate fails, in any one calendar month, to have at least fifty (50) active consumers, LPG shall withhold 20% of the fees due to Affiliate for said month in an escrow account. Such fees shall be held in escrow until, in a single calendar month, Affiliate has fifty (50) or more active consumers, at which point, within five (5) business days of the end of such calendar month, LPG shall transfer the balance of such escrow account to Affiliate and retain nothing in such escrow account. If Affiliate shall cease operations for any reason, or this Agreement shall terminate for any reason, Affiliate will continue to receive fees due to it under this Agreement until all active consumers have completed or withdrawn from the program, at which point any remaining amounts being held in escrow shall be released to Affiliate in full.

14. Affiliate agrees not to use the name LPG or any law firm in any advertising, publicity release, or sales presentation designed to promote Affiliate's service, unless LPG provides prior written consent to such specific use.
15. Any fees incurred by LPG in connection with a customer's Non-Sufficient Funds ("NSF") fee shall be borne exclusively by LPG.
16. This Agreement may not be assigned or transferred without the prior written consent of the other. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.
17. In the event of a breach, the prevailing party shall be entitled to reasonable attorneys' fees and collection costs, including all fees and costs on appeal.
18. This Agreement contains the entire Agreement between the Parties, and shall not be modified, amended or supplemented, or any rights therein waived, unless specifically agreed upon in writing by LPG and Affiliate.

## ACCOUNTS RECEIVABLE PURCHASE AGREEMENT

This ACCOUNTS RECEIVABLE PURCHASE AGREEMENT (this “**Agreement**”) is made as of February 16, 2023 (the “**Agreement Date**”), by and between Venture Partners LLC (collectively the “**Buyer**”), and Proof Positive LLC (the “**Seller**” or “**LPG**”, and together with the Buyer, the “**Parties**”), and The Litigation Practice Group PC (“**LPG**”).

### RECITALS

WHEREAS, in the regular course of business, the Seller originates account receivables from **LPG** in connection with client on-boarding services provided by the Seller to LPG and its affiliates;

WHEREAS, the account receivables represent an obligation of various clients to pay Seller for services that Seller previously provided, but which LPG shall provide from the date of execution of this Agreement;

WHEREAS, the Seller desires to sell, assign, transfer, and deliver to the Buyer, and the Buyer desires to purchase, acquire, and accept from the Seller, certain of these account receivables (the “**Purchased Accounts**”).

NOW, THEREFORE, in consideration of the covenants and representations set forth herein, the Parties, intending to be legally bound, agree as follows:

### ARTICLE 1. DEFINITIONS

Section 1.1 Certain Definitions. Certain defined terms used in this Agreement are set forth on Exhibit

A.

### ARTICLE 2. ASSIGNMENT AND TRANSFER AND CONSIDERATION

Section 2.1 Assignment of the Purchased Accounts to the Buyer. Upon execution of this Agreement and subject to the terms and conditions set forth herein, the Seller shall sell, assign, transfer, and deliver, and the Buyer shall purchase, acquire, and accept from the Seller, all of the Seller’s right, title, and interest in and to the Purchased Accounts set forth on the spreadsheet attached to this Agreement, free and clear of any Liens. Other than the Purchased Accounts, the Buyer shall not purchase or acquire any other assets of the Seller (collectively, the “**Excluded Assets**”).

Section 2.2 No Assumption of Liabilities. The Buyer shall not assume any Liabilities of the Seller of any kind, whether known or unknown, contingent, matured, or otherwise, whether currently existing or hereinafter created (collectively, the “**Excluded Liabilities**”).

Section 2.3 Payment of Purchase Price. Buyer shall pay \$0.00 (total purchase price) for the Purchased Accounts (the “**Purchase Price**”) by wire transfer of immediately available funds in accordance with the wire transfer instructions set forth in Schedule 2.3 (the “**Wire Instructions**”). The Purchased Accounts are set forth on the attached spreadsheet.

Section 2.4 Guarantee of LPG. If any file acquired by buyer shall fail to make a first payment, LPG will replace the file and bear any cost associated with such replacement. The replacement file shall yield no less than the receivable of the failed file. In addition, if any calendar month a total of less than 80% of files make a cleared payment, LPG shall replace any non-performing files in such month so that the performance of the file package as a whole equals 80%. This guarantee shall continue until the completion of the 24<sup>th</sup> month following execution of this agreement.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

#### **REPRESENTATIONS AND WARRANTIES OF THE BUYER**

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.1 Organization; Good Standing. The Buyer is a limited liability company, duly organized, validly existing, and in good standing under the Laws of the State of Wyoming.

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.1 Entire Agreement; Amendment. This Agreement and the Transaction Agreements (including the exhibits hereto and thereto and the documents referred to therein) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement may be amended with the written consent of each of the Parties or any successor thereto by execution of an instrument in writing.

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

##### **REPRESENTATIONS AND WARRANTIES OF THE BUYER**

The Buyer represents and warrants to the Seller, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 4.1 Organization; Good Standing. The Buyer is a limited liability company, duly organized, validly existing, and in good standing under the Laws of the State of Wyoming.

Section 4.2 Power and Authority. The Buyer has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Buyer, and the consummation by the Buyer of the transactions contemplated hereby and thereby, have been duly approved by the Buyer, and no further action is required on the part of the Buyer to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Buyer and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Buyer, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other Laws affecting enforcement of creditor’s rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 4.3 No Conflicts. The execution and delivery by the Buyer of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give

rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of, any obligation, or loss of any benefit under: (a) any provision of the Buyer's Organizational Documents; (b) any contract to which the Buyer is party, other than the Buyer Representation Agreement; or (c) any Law applicable to the Buyer.

Section 4.4 Sufficient Funds. The Buyer has, and will have, sufficient funds available to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement and the Transaction Agreements.

## ARTICLE 5. COVENANTS

### Section 5.1 Appropriate Actions.

(a) General. Each of the Parties shall use commercially reasonable efforts to take all actions necessary to consummate the transactions contemplated by this Agreement as soon as reasonably practicable after the execution of this Agreement, including taking all actions necessary to comply promptly with all applicable Laws that may be imposed on it or any of its Affiliates with respect to the Closing.

## ARTICLE 6. CLOSING

Section 6.1 Closing. The closing of the transactions contemplated by this Agreement (the "**Closing**") will take place upon the execution and delivery of this Agreement or at such other time, date, and place as the Parties may agree in writing. The date on which the Closing occurs is hereinafter referred to as the "**Closing Date**." The Parties agree that the Closing may take place by the electronic exchange of executed counterpart documents and the electronic transfer of funds.

Section 6.2 Closing Deliverables of the Seller. At or prior to the Closing, Seller shall deliver to Buyer any of the following if requested by Buyer: (i) a bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B (the "**Bill of Sale and Assignment and Assumption Agreement**"), duly executed by the Seller, effecting the transfer and assignment to, and assumption by, the Buyer of the Purchased Accounts; and (ii) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

**ARTICLE 3.**  
**REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

Section 3.7 Legal Proceedings. There is no Action of any nature pending or, to the Knowledge of the Seller, threatened against or by the Seller: (a) relating to or affecting the Purchased Accounts or (b) that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement and the Transaction Agreements. No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## **ARTICLE 7. MISCELLANEOUS**

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for what it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

The Seller represents and warrants to the Buyer, as of the Agreement Date and as of the Closing Date, or, if expressly made as of a specified date, as of such specified date, as follows:

Section 3.1 Organization; Good Standing. The Seller is a Limited Liability Company duly organized, validly existing, and in good standing under the Laws of the State of Wyoming and is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, results of operations, financial condition, or assets of the Seller.

Section 3.2 Power and Authority. The Seller has all requisite right, power, and authority to execute, deliver, and perform this Agreement and the Transaction Agreements to which it is a party, to consummate the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and the Transaction Agreements by the Seller, and the consummation by the Seller of the transactions contemplated hereby and thereby, have been duly approved by the Seller, and no further action is required on the part of the Seller to authorize this Agreement, any Transaction Agreement to which it is a party, or the transactions contemplated hereby and thereby. This Agreement has been, and each of the Transaction Agreements will be, duly and validly executed and delivered by the Seller and, assuming the due and valid authorization, execution, and delivery of this Agreement by the other Parties, and of each such Transaction Agreement by the other parties thereto, constitutes, or will constitute, a valid and binding obligation of the Seller, enforceable against it in accordance with its terms and conditions, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other Laws affecting enforcement of creditor's rights generally and except insofar as the availability of equitable remedies may be limited by applicable Law.

Section 3.3 Title to, and Sufficiency of, the Purchased Accounts. The Seller has and shall convey to the Buyer, at the Closing, good, valid, transferable, and marketable title to, or valid leasehold interests in, all of the Purchased Accounts, free and clear of all Liens.

Section 3.4 Consents. The Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent, or approval of, any Governmental Body or Third Party, including a party to any assigned contract, in connection with the execution, delivery, and performance by the Seller of this Agreement or any of the Transaction Agreements to which it is a party or the consummation of the transactions contemplated hereby and thereby.

Section 3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and each of the Transaction Agreements, and the consummation of the transactions contemplated hereby and thereby, will not conflict with, result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to an additional payment obligation, a right of termination, cancellation, modification, or acceleration of any obligation, or loss of any benefit, under: (a) any provision of the Organizational Documents of the Seller; (b) any contract to which the Seller is party, including, without limitation, any assigned contract; or (c) any Law or order applicable to the Seller or any of the Purchased Accounts.

Section 3.6 Compliance with Laws. The Seller has materially complied, and is now materially complying, with all Laws applicable to the ownership and use of the Purchased Accounts.

No event has occurred or circumstance exists that may give rise to, or serve as a basis for, any such Action.

Section 3.8 Condition of Purchased Accounts. Each Purchased Account shall have received no less than one processed payment.

Section 3.9 Confidentiality. Seller agrees and acknowledges that all Purchased Accounts, the pricing, and all terms set forth in this Agreement are confidential (together, the “**Confidential Information**”). Seller will at all times keep the Confidential Information in confidence and trust. Seller will not, without the prior written consent of an authorized officer of Buyer, (A) copy, use or disclose any Confidential Information, (B) deliver or disclose any Confidential Information to any person or entity outside the Buyer, or (C) use the Confidential Information for Seller’s own use or use it to the detriment of Buyer. Notwithstanding the foregoing, Seller may, without consent, use the Confidential Information and disclose and deliver same to Seller’s employees or agents, if applicable, who have a need to know, provided such employees or agents have entered into written agreements approved by Buyer and containing provisions at least as restrictive as these provisions. Seller agrees that violation of this Section 3.9. The Parties agree that the disclosure of the Confidential Information in violation of this Agreement may cause the Buyer irreparable harm and that any breach or threatened breach by the Seller entitles Buyer to seek injunctive relief, in addition to any other legal or equitable remedies available to it, in any court of competent jurisdiction.

#### **ARTICLE 4.**

Section 6.3 Closing Deliverables of the Buyer. At or prior to the Closing, the Seller shall have received the following: (i) the Upfront Cash Payment; and (ii) if requested pursuant to Section 6.2, the Bill of Sale and Assignment and Assumption Agreement, duly executed by the Buyer.

Section 6.4 Indemnification by the Seller. Subject to the limitations set forth in this Article 6, the Seller agrees to indemnify and hold harmless the Buyer, including its shareholders, members, directors, managers, officers, employees, Affiliates, and agents (each, a "**Buyer Indemnified Party**" and, collectively, the "**Buyer Indemnified Parties**"), against all claims, losses, Liabilities, damages, deficiencies, diminutions in value, costs, interest, awards, judgments, penalties, and expenses, including reasonable out-of-pocket attorneys' and consultants' fees and expenses and including any such reasonable expenses incurred in connection with investigating, defending against, or settling any of the foregoing (each, a "**Loss**" and, collectively, the "**Losses**") paid, suffered, incurred, sustained, or accrued by any Buyer Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Seller contained in this Agreement, (b) any breach or non-fulfillment of any covenant, agreement, or

obligation to be performed by the Seller pursuant to this Agreement, (c) any Excluded Asset or any Excluded Liability.

Section 6.5 Indemnification by the Buyer. Subject to the limitations set forth in this Article 6, the Buyer agrees to indemnify and hold harmless the Seller, including its Affiliates and agents (each, a “**Seller Indemnified Party**” and, collectively, the “**Seller Indemnified Parties**”), against all Losses paid, suffered, incurred, sustained, or accrued by any Seller Indemnified Party, directly or indirectly, as a result of, arising out of, or in connection with: (a) any inaccuracy in, or breach of, any of the representations or warranties of the Buyer contained in this Agreement; (b) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by the Buyer pursuant to this Agreement; (c) any event or occurrence related to the Purchased Accounts or Buyer occurring after the Closing; or (d) resulting from any omissions or misstatements made by Buyer to investors or potential investors.

Section 6.6 Indemnification Procedures.

(a) No Restraints. Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-party Claim, to assume the defense of such Third-party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party and its officers, directors, employees, and Affiliates from all Liability arising out of, or related to, such Third-party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the

Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-party Claim (a **"Direct Claim"**), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a **"Notice of Claim"**). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after facsimile or electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.6 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.7 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.9 Governing Law. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles.

Section 7.10 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.11 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Agreement Date.

1 The Court has read and considered the Notice of Motion and Motion for Entry of Protective  
2 Order (the "Motion") filed by Richard A. Marshack, in his capacity as the Chapter 11 Trustee (the  
3 "Trustee") of the Bankruptcy Estate ("Estate") of The Litigation Practice Group P.C., on May 2, 2024,

- 11 3. Govern the discovery conducted therein.

## 13 PROTECTIVE ORDER

### 14 1. DEFINITIONS

15 1.1 "Confidential Information" as used in this Protective Order shall mean documents and  
16 other information (regardless of how generated, stored or maintained) that a Party or non-party  
17 reasonably believes to contain or reflect non-public financial or business information, bank records,  
18 financial records, such as social security numbers, non-public financial or personal information of a  
19 Party or non-party, account numbers, sensitive digital information and identifiers, information subject  
20 to confidentiality agreements or provisions other than this Protective Order, and other non-public  
21 research, development, or commercial information that derives value or avoids injury by virtue of not  
22 being known to the public.

23 1.2 This "Action" is defined and hereby means any contested matter arising in the main  
24 bankruptcy case and in all adversary proceedings filed by or against Trustee, present and future.

25 1.3 "Designating Party" means a Party or non-party that designates Confidential  
26 Information during the Action.

27 1.4 "Receiving Party" means a Party that receives Confidential Information during the  
28 Action.

1 1.5 "Party" or "Parties" means person or entity subject to this Protective Order.

2 **2. SCOPE OF THIS PROTECTIVE ORDER**

3 2.1 Unless otherwise ordered, this Protective Order shall govern certain documents and  
4 other products of discovery obtained in the Action from the Parties there to, and from third parties.  
5 As well as certain information copied or derived therefrom, excerpts, summaries or compilations  
6 thereof, including, but not limited to, documents voluntarily exchanged as part of early settlement  
7 discussions, documents produced pursuant to initial disclosures, requests authorized by the Federal  
8 Rules of Civil Procedure made applicable herein by the Federal Rules of Bankruptcy Procedure,  
9 answers to interrogatories, deposition transcripts, responses to requests for production, responses to  
10 requests for admission, subpoenas, affidavits, declarations, expert reports, and other such material  
11 and information as may be produced during the course of the Action and designated as Confidential  
12 Information.

13 **3. DESIGNATION OF CONFIDENTIAL INFORMATION**

14 3.1 This Protective Order shall govern the production and handling of any Confidential  
15 Information in this Action. Any Party or non-party who produces Confidential Information in this  
16 Action may designate it as "Confidential" or "Attorneys' Eyes Only" consistent with the terms of this  
17 Protective Order. Whenever possible, the Designating Party must designate only those portions of a  
18 document, written discovery responses, deposition, transcript, or other material that contain the  
19 Confidential Information and refrain from designating entire documents. Regardless of any  
20 designations made hereunder, the Designating Party is not otherwise restricted from use or disclosure  
21 of its Confidential Information outside of this Action or for any business purposes. In addition, any  
22 Party may move to modify or seek other relief from any of the terms of this Protective Order if it has  
23 first tried in writing and in good faith to resolve its needs or disputes with the other Parties or Party  
24 as the case may be under the terms of this Protective Order. Further, nothing in this Protective Order  
25 shall prevent a Party from redacting documents consistent with the Federal Rules of Civil Procedure  
26 and utilizing the documents as needed through-out the Action.

27 3.2 Application to Non-Parties: Before a non-party is given copies of documents or  
28 materials designated as Confidential Information or Attorneys' Eyes Only as permitted hereunder, it

1 must first sign an acknowledgment to be bound to these terms that is attached hereto as Exhibit A; if  
2 it fails to do so, the Parties to this Action must resolve any such dispute before making disclosure of  
3 designated information as permitted hereunder to the non-party. If a non-party wishes to make  
4 designations hereunder, it must first sign attached Exhibit A.

5       3.3     Timing and Provisional Protection: Designations of Confidential Information may be  
6 made at any time. To avoid potential waiver of protection hereunder, the Designating Party should  
7 designate documents or materials containing Confidential Information at the time of production or  
8 disclosure, including on the record during the taking of any deposition. Deposition testimony will be  
9 deemed provisionally protected for a period of thirty (30) days after the transcript is released to the  
10 Parties by the court reporter, although the Parties may agree at any time to different timelines of  
11 provisional protection of information as Confidential or Attorneys' Eyes Only as part of one or more  
12 specific depositions. To retain any designations beyond the provisional period, a Designating Party  
13 must designate specific pages and lines of deposition testimony before the provisional period has  
14 expired. Such designations must be made in writing so that all counsel and court reporters may append  
15 the designation to all copies of the transcripts.

16       3.4     Manner of Designation: Confidential Information may be designated hereunder in any  
17 reasonable manner or method that notifies the Receiving Party of the designation level and identifies  
18 with specificity the information to which the designation applies. If made verbally, the Designating  
19 Party must promptly confirm the designation in writing. Whenever possible, the Designating Party  
20 should stamp, affix, or embed a legend of "CONFIDENTIAL" or "ATTORNEYS' EYES ONLY" on  
21 each designated page of the document or electronic image that contains Confidential Information.

#### 22       **4.       CHALLENGES TO DESIGNATED INFORMATION**

23       4.1     In the event that a Receiving Party disagrees at any time with any designation(s) made  
24 by the Designating Party, the Receiving Party must first try to resolve such challenge in good faith  
25 on an informal basis with the Designating Party. The Receiving Party must provide written notice of  
26 the challenge and the grounds therefor to the Designating Party, who must respond in writing to the  
27 challenge within fifteen (15) days. At all times, the Designating Party carries the burden of  
28 establishing the propriety of the designation and protection level. Unless and until the challenge is

1 resolved by the Parties or ruled upon by the Court, the designated information shall remain protected  
2 under this Protective Order. The failure of any Receiving Party to challenge a designation does not  
3 constitute a concession that the designation is proper or an admission that the designated information  
4 is otherwise competent, relevant, or material.

5 **5. LIMITED ACCESS/USE OF PROTECTED INFORMATION**

6 5.1 Restricted Use: Information that is produced or exchanged in the course of the Action  
7 and designated under this Protective Order may be used for preparation for trial and preparation for  
8 any appeal of any and all matters in the Action, as well as related settlement negotiations, and for no  
9 other purpose, without the written consent of the Designating Party. No Confidential Information may  
10 be disclosed to any person except in accordance with the terms of this Protective Order, unless the  
11 parties are co-counsel or have entered into joint defense agreements. All persons in possession of  
12 Confidential Information agree to exercise reasonable care with regard to the custody, use, or storage  
13 of such information to ensure that its confidentiality is maintained. This obligation includes, but is  
14 not limited to, the Receiving Party providing to the Designating Party prompt notice of the receipt of  
15 any subpoena that seeks production or disclosure of any designated information and consulting with  
16 the Designating Party before responding to the subpoena. Any use or disclosure of Confidential or  
17 Attorneys' Eyes Only information in violation of the terms of this Protective Order may subject the  
18 disclosing person or party to sanctions.

19 5.2 Access to "Confidential" Information: The Party(ies) and all persons subject to this  
20 Protective Order agree that information designated as "CONFIDENTIAL" may only be accessed or  
21 reviewed by the following:

- 22 a) The Court, its personnel, and court reporters;  
23 b) Counsel of record, or co-counsel for any Party, or other party that has entered into a  
24 joint defense agreement in the Action and their employees who assist counsel of record, or co-counsel  
25 in the Action and are informed of the duties and obligations imposed hereunder;  
26 c) The Parties, including their clients, agents and employees who are assisting or have  
27 reason to know of the Action;

28 ///

d) Experts or consultants employed by the Parties or their counsel, or co-counsel, for purposes of an Action, so long as each such expert or consultant has signed attached Exhibit A; and

e) Other witnesses or persons with the Designating Party's consent or by court order.

5.3 Access to "Attorneys' Eyes Only" Designations: The Parties and all persons subject to this Protective Order agree that information designated as "ATTORNEYS' EYES ONLY" may only be accessed or reviewed by the following:

a) The Court, its personnel, and court reporters;

b) Counsel of record, or co-counsel for any Party, or other party that has entered into a joint defense agreement in the Action and their employees who assist counsel of record in the Action and are informed of the duties hereunder;

c) In-house counsel for any Party in the Action and Richard A. Marshack, as Chapter 11 Trustee of The Litigation Practice Group P.C. who is informed of the duties and obligations imposed hereunder;

d) Experts or consultants employed by the Parties or their counsel, or co-counsel for purposes of the Action, and so long as each such expert or consultant has signed attached Exhibit A; and

e) Other witnesses or persons to whom the Designating Party agrees in advance of disclosure or by court order.

5.4 Non-Waiver Effect of Designations: Neither the taking of, nor the failure to take, any action to enforce the provisions of this Protective Order, nor the failure to object to any designation, will constitute a waiver of any Party(ies)'s claim or defense in the Action or any other action or proceeding, including, but not limited to, a claim or defense that any designated information is or is not Confidential, is or is not entitled to particular protection, or embodies or does not embody information protectable by law.

5.5 In-Court Use of Designated Information: If information designated under this Protective Order will or may be offered in evidence at a hearing or trial related to any matter in the Action, then the offering party must give advance notice to the party or non-party that designated prior to offering the information so that any use or disclosure may be addressed in accordance with

the Court's case-management or other pre-trial order, or by a motion *in limine*. Nothing in this Protective Order shall be construed as a waiver by a Party of any objections that may be raised as to the admissibility at trial of any evidentiary materials.

**6. CLAW-BACK REQUESTS**

6.1 Failure to Make Designation: If, at any time, a Party or non-party discovers that it produced or disclosed Confidential Information without designation, it may promptly notify the Receiving Party and identify with particularity the Confidential Information to be designated and the level of designation (the claw-back notification). The Receiving Party may then request substitute production of the newly-designated information. Within thirty (30) days of receiving the claw-back notification, the Receiving Party must: (1) certify to the Designating Party it has appropriately marked or, if substitute production has been requested, destroyed all unmarked copies that it received, made, and/or distributed; and (2) if it was practicably unable to mark or destroy any information because disclosures occurred while the Receiving Party was under no duty of confidentiality under the terms of this Protective Order regarding that information, the Receiving Party must reasonably provide as much information as practicable to aid the Designating Party in protecting the information, consistently with the Receiving Party's attorney-client, work-product, and/or trial-preparation privileges.

6.2 Inadvertent Production of Privileged Information: If, at any time, a Party discovers that it produced information that it reasonably believes is subject to protection under the attorney/client, work-product, or trial-preparation privileges, then it must promptly notify each Receiving Party of the claim for protection, the basis for it, amend its privilege log accordingly, and comply with Fed. R. Civ. P. 26(b)(5). Whenever possible, the producing party must produce substitute information that redacts the information subject to the claimed protection. The Receiving Party must thereupon comply with Fed. R. Civ. P. 26(b)(5)(B) as to the information subject to the claimed protection.

1           **7. DURATION/CONTINUED RESTRICTIONS**

2           7.1    Handling of Designated Information Upon Conclusion of the Main Bankruptcy Case:

3 Upon conclusion of the Main Bankruptcy Case, by way of dismissal or closing of the case, the  
4 Designating Party(ies) is/are responsible for ensuring that any Party or person to whom the  
5 Designating Party shared or disclosed designated information in any of the matters under the Action  
6 returns or destroys all of its copies, regardless of the medium in which it was stored. No witness or  
7 Party may retain designated information that it received from any other Party or non-party under this  
8 Protective Order; only counsel of record, or co-counsel, are the authorized agents who may retain one  
9 copy for their respective legal files, and who must also describe to the Designating Party the extra  
10 steps taken to protect its legal file containing paper and/or electronic copies of the designated  
11 information so that it is not accessed, used, or disclosed inconsistently with the obligations under this  
12 Protective Order. This provision does not apply to the Court or Court staff. Moreover, this provision  
13 does not apply to Trustee, who may retain and use – consistent with this Order – Confidential  
14 Information received in any Action during the entirety of the Bankruptcy.

15           7.2    Continued Restrictions Under this Protective Order: The restrictions on disclosure and  
16 use of Confidential Information shall survive the conclusion of the Bankruptcy case and any matter  
17 in the Action.

18           **8. PRIVILEGED OR PROTECTED INFORMATION**

19           8.1    Nothing in this Protective Order shall require disclosure of information that is  
20 protected by the attorney-client privilege, the work-product protection, or any other legally cognizable  
21 privilege (a “Privilege or Protection”). If information subject to a claim of Privilege or Protection is  
22 inadvertently produced, pursuant to Federal Rule of Evidence 502(d) such production shall not  
23 constitute a waiver of, or estoppel as to, any claim of Privilege or Protection for such information or  
24 any other information that may be protected from disclosure by a Privilege or Protection in any  
25 proceeding.

26           8.2    If a Party receives a document that appears to be subject to a Privilege or Protection,  
27 then it shall refrain from examining the document any more than is essential to ascertain if it is  
28 privileged or protected and shall promptly notify the producing Party in writing that the receiving

1 Party possesses material that appears to be subject to a Privilege or Protection. The producing Party  
2 shall have seven (7) days after receiving such notice to assert a Privilege or Protection over the  
3 identified material. If the producing Party does not assert a claim of Privilege or Protection within the  
4 seven (7)-day period, the material in question shall be deemed not privileged or protected.

5 8.3 If a producing Party has produced a document subject to a claim of Privilege or  
6 Protection, upon written request by the producing Party, the document for which a claim of Privilege  
7 or Protection is made shall be sequestered or destroyed to the extent reasonably practicable, and the  
8 receiving Party shall not use the document for any purpose other than in connection with analyzing  
9 or disputing a claim of Privilege or Protection or in connection with a motion to compel the production  
10 of the document.

11 8.4 The receiving Party sequestering or destroying such material may then move the Court  
12 for an order compelling production of the material. The applicable producing Party bears the burden  
13 of establishing the applicable Privilege or Protection of any clawed-back document or information as  
14 and to the same extent that it would have borne such burden had it not produced the document or  
15 information. Nothing in this Protective Order shall limit the Court's right or any receiving Party's  
16 right to request an in camera review of any information subject to a claim of Privilege or Protection.

### INSTRUCTIONS

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

**Plaintiffs and Defendants.** Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

**Attorneys.** Give the names and addresses of the attorneys, if known.

**Party.** Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

**Demand.** Enter the dollar amount being demanded in the complaint.

**Signature.** This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.
